Sea Robin Pipeline Company; Notice of Proposed Changes to FERC Gas Tariff

November 4, 1998.

Take notice that on October 30, 1998, Sea Robin Pipeline Company (Sea

Robin) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the First Substitute, Fourth Revised Tariff Sheet No. 95 to become effective on December 1, 1998. In addition, Sea Robin has notified the Commission that it proposes to implement SoNet Premier for Sea Robin shippers on December 1, 1998.

On July 31, 1998, Sea Robin made a tariff filing in which it proposed to streamline certain contract, billing, and information processing requirements to better serve its customers' needs. At that time Sea Robin believed that SoNet Premier would be operational to transact business for the gas day of September 1, 1998. By filing dated August 27, 1998, Sea Robin notified the Commission that the September 1, 1998 implementation date would not be met. On August 28, 1998, the Commission issued a "Notice of Extension of Time" extending the effective date of the tariff sheets until the date SoNet Premier is placed in service. Since that time, Sea Robin found that Sheet No. 95 did not incorporate in the tariff or by reference all of the GISB standards that it was proposing to implement on SoNet Premier.

Accordingly, Sea Robin hereby files Sheet No. 95 to incorporate by reference all of the GISB standards for which Sea Robin had previously obtained a waiver and to add those standards that it had inadvertently omitted.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make Protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
