**ACTION:** Notice of extension of the time limit for the preliminary results in the antidumping duty new shipper administrative review and first administrative review of the antidumping duty order on brake rotors from the People's Republic of China.

**SUMMARY:** The Department of Commerce (the Department) is extending the time limit for the preliminary results of the antidumping duty new shipper administrative review and first administrative review of the antidumping duty order on brake rotors from the People's Republic of China (PRC). This review covers the period October 1, 1996, through March 31, 1998.

**EFFECTIVE DATE:** November 10, 1998.

**FOR FURTHER INFORMATION CONTACT:** Brian Smith or Everett Kelly, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-1766 or (202) 482-4194, respectively.

#### **Postponement of Preliminary Results of Review**

The Department initiated a new shipper review of the antidumping duty order on brake rotors from the PRC (63 FR 28355) on May 22, 1998 and, on May 29, 1998, initiated the first administrative review of the antidumping duty order on brake rotors from the PRC (63 FR 29370). Pursuant to section 351.214(j)(3) of its regulations, and with the agreement of Yantai Chen Fu Machinery Co. Ltd., (Yantai Chen Fu) the Department is conducting the 1996-1998 administrative review and the new shipper review of Yantai Chen Fu concurrently. The current deadline for the preliminary results in these reviews is January 4, 1999. In accordance with section 751(a)(3)(A) of the Tariff Act of 1930 ("the Act"), as amended, we determine that it is not practicable to complete these reviews within the original time frame because of the large

number of respondents.<sup>1</sup> Further, in accordance with section 751(a)(2)(B)(iv) of the Act, the Department finds the concurrent new shipper review extraordinarily complicated because it is being conducted with the administrative review of a large number of respondents. Thus the Department is extending the time limit for completion of the preliminary results until April 30, 1999, which is 365 days after the last day of the anniversary month of the order.

The final determination will occur within 120 days of the publication of the preliminary results.

Dated: November 4, 1998.
