*Title:* Application Requirements for the Low Income Home Energy

Assistance Program (LIHEAP) Detailed Model Plan and the Abbreviated Model Plan.

*OMB No.:* 0970-0075.

*Description:* This information requirement is an annual activity which is required by law for the receipt of Federal block grant funds under the LIHEAP statute. By law, we must make this model plan available to grantees. It provides grantees an optional management tool that may alleviate the burden of preparing additional information to complete plans. The detailed model plan is to be filed only once every three years or sooner if major changes are made to a grantee's program. In the other two years, grantees would submit an abbreviated application which will still meet the statutory requirement for a complete application.

*Respondents:* State, Local or Tribal Govt.
