### Foreign-Trade Zones Board

[Docket 50-98]

#### **Foreign-Trade Zone 72—Indianapolis, IN; Application for Subzone, Alfa Laval Distribution, Inc. (Parts for Industrial Separators and Decanter Centrifuges), Indianapolis, Indiana**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Indianapolis Airport Authority, grantee of FTZ 72, requesting special-purpose subzone status for the separator and decanter centrifuge parts distribution facility of Alfa Laval Distribution, Inc., located in Indianapolis, Indiana. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on November 5, 1998.

The Alfa Laval facility (22,400 sq. ft. on 2.5 acres) is located at 7601 Winton Drive, Indianapolis, Indiana. The facility (20 employees) is used for storage, inspection, packaging and distribution of a wide variety of parts and components for separator and decanter centrifuge equipment. The products are distributed throughout North and South America, Europe and Asia. About 30 percent of the parts are sourced from abroad and over 30 percent are exported. No authority is being sought for activity conducted under FTZ procedures that would result in a change in tariff classification.

Zone procedures would exempt Alfa Laval from Customs duty payments on foreign parts that are reexported. On its domestic sales, the company would be able to defer duty payments until merchandise is shipped from the facility. The application indicates that the savings from zone procedures would help improve the facility's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ staff has been appointed examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is January 12, 1999. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period January 27, 1999.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

U.S. Department of Commerce Export Assistance Center, 11405 N. Pennsylvania St., Ste 106, Carmel, Indiana 46032
