

for implementing the Municipal Solid Waste (MSW) Landfill Emission Guidelines. The State's plan was submitted to USEPA on July 21, 1998 in accordance with the requirements for adoption and submittal of State plans for designated facilities in title 40 of the Code of Federal Regulations part 60 (40 CFR part 60), subpart B. In the final rules section of this **Federal Register**, the USEPA is approving the State's request as a direct final rule without prior proposal because USEPA views this action as noncontroversial and anticipates no adverse comments. A detailed rationale for approving the State's request is set forth in the direct final rule. The direct final rule will become effective without further notice unless USEPA receives relevant adverse written comment. Should USEPA receive such comment, it will publish a timely withdrawal informing the public that the direct final rule will not take effect and such public comment received will be addressed in a subsequent final rule based on the proposed rule. If no adverse written comments are received, the direct final rule will take effect on the date stated in that document, and no further action will be taken. USEPA does not plan to institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time.

DATES: Written comments must be received on or before December 23, 1998.

ADDRESSES: Written comments may be mailed to J. Elmer Bortzer, Chief, Regulation Development Section, Air Programs Branch (AR-18J), Region 5 at the address listed below.

Approval of Section 112(l) Program of Delegation; Michigan

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) proposes to approve Michigan's request for a mechanism of delegation of the Federal air toxic program pursuant to Section 112(l) of the Clean Air Act of 1990. In the "Final Rules" section of this **Federal Register**, the EPA is approving the State's request as a direct final rule without prior proposal because EPA views this action as noncontroversial and anticipates no adverse comments. A detailed rationale for approving the State's request is set forth in the direct final rule. The direct final rule will become effective without further notice unless EPA receives relevant adverse written comment. Should EPA receive such comment, it will publish a timely withdrawal informing the public that the direct final rule will not take effect, and such public comment received will be addressed in a subsequent final rule based on the proposed rule. If no adverse written comments are received, the direct final rule will take effect on January 22, 1999, and no further action will be taken. EPA does not plan to institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time.

DATES: Written comments must be received on or before December 23, 1999.

ADDRESSES: Written comments may be mailed to Robert B. Miller, Chief, Permits and Grants Section, Air Programs Branch (AR-18J), Region 5 at the address listed below.

National Oil and Hazardous Substances Pollution Contingency Plan National Priorities List

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of intent to delete Cedartown Municipal Landfill Superfund site from the National Priorities List (NPL); request for comments.

SUMMARY: EPA, Region 4 (EPA) announces its intent to delete the Cedartown Municipal Landfill Superfund Site from the NPL and requests public comment on this proposed action. The NPL constitutes appendix B of 40 CFR part 300 which is the National Oil and Hazardous Substances Pollution Contingency Plan (NCP), which EPA promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA). EPA and the State of Georgia (State) have determined that all appropriate CERCLA actions have been implemented and that no further cleanup by responsible parties is appropriate under CERCLA. Moreover, EPA and the state have determined that remedial activities conducted at the site to date have been protective of public health, welfare, and the environment.

DATES: Comments concerning the proposed deletion of this Site will be accepted until December 23, 1998.

ADDRESSES: *Comments may be mailed to:* Annie M. Godfrey, Remedial Project Manager, South Site Management Branch, Waste Management Division, U.S. Environmental Protection Agency,
