November 24, 1998.

Take notice that on November 17, 1998, Natural Gas Pipeline Company of America (Natural), 747 East 22nd Street, Lombard, Illinois, 60148, filed in Docket No. CP99-81-000 an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon, by sale to Stingray Pipeline Company (Stingray) a dual 4-inch platform measuring facility located in East Cameron Block 286, offshore Louisiana (EC 286), all as more fully set forth in the application on file with the Commission and open to public inspection.

Natural states that the facilities were originally constructed to allow Natural to measure system supply gas that it had purchased in EC 286, which gas Stingray had received for Natural's account and transported and redelivered to Natural onshore at Holly Beach in Cameron Parish, Louisiana. Natural states that its gas purchase and transportation agreements related to these facilities have been terminated and that currently the facilities are used to measure gas that stingray receives and transports onshore for the accounts of Stingray's shippers. Moreover, Natural states that said facilities no longer hold sufficient value to Natural to warrant the expenditures required to maintain them as a result, Natural intends to sell said facilities to Stingray.

Any person desiring to be heard or to make any protest with reference to said application should on or before December 15, 1998, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest

Any person wishing to become a party to the proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission on this application if no motion to intervene is filed within the time required herein, and if the Commission on its own review of the matter finds that the abandonment is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provide for, unless otherwise advised, it will be unnecessary for Natural to appear or be represented at the hearing.
