

5% or more of the outstanding voting securities of the other person.

2. Section 17(b) of the Act provides that, notwithstanding section 17(a) of the Act, the Commission shall exempt a proposed transaction from section 17(a) of the Act if evidence establishes that: (a) the terms of the proposed transaction are reasonable and fair and do not involve overreaching; (b) the proposed transaction is consistent with the policy of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act.

3. Applicant states that the Affiliated Shareholder is an affiliated person of the Fund under section 2(a)(3)(A) of the Act because it owns beneficially in excess of 5% of the Fund's shares. To the extent that the proposed in-kind redemption would be considered to involve the "purchase" of the Fund's portfolio securities by the Affiliated Shareholder, applicant states that the proposed in-kind redemption would be prohibited by section 17(a)(2) of the Act.

4. Applicant submits that the terms of the proposed in-kind redemption meet the standards set forth in section 17(b) of the Act. Applicant asserts that neither the Adviser nor the Affiliated Shareholder will have any opportunity to select the specific portfolio securities to be distributed. Applicant further states that the portfolio securities to be distributed to the Affiliated Shareholder will be valued according to an objective, verifiable standard and that the in-kind redemption is consistent with the investment policies of the Fund.

Applicant also states that the proposed in-kind redemption is consistent with the general purposes of the Act.

Applicant's Conditions

Applicant agrees that any order granting the requested relief will be subject to the following conditions:

1. The portfolio securities of the Fund distributed to the Affiliated Shareholder pursuant to the in-kind redemption (the "In-Kind Securities") will be limited to securities that are traded on a public securities market or for which quoted bid prices are available.

2. The In-Kind Securities will be distributed by the Fund on a pro rata basis after excluding: (a) securities which, if distributed, would be required to be registered under the Securities Act of 1933; and (b) certain portfolio assets (such as futures and options contracts and repurchase agreements) that, although they may be liquid and marketable, must be traded through the marketplace or with the counterparty to the transaction in order to effect a change in beneficial ownership. Cash

will be paid for that portion of the Fund's assets represented by cash equivalents (such as certificates of deposit, commercial paper, and repurchase agreements) and other assets which are not readily distributable (including receivables and prepaid expenses), net of all liabilities (including accounts payable). In addition, the Fund will distribute cash in lieu of securities held in its portfolio not amounting to round lots (or which would not amount to round lots if included in the in-kind distribution), fractional shares, and accruals on such securities.

3. The In-Kind Securities distributed to the Affiliated Shareholder will be valued in the same manner as they would be valued for purposes of computing the Fund's net asset value which, in the case of securities traded on a public securities market for which quotations are available, is the last reported sales price on the exchange on which the securities are primarily traded or at the last sales price on the national securities market, or, if the securities are not listed on an exchange or the national securities market or if there is no such reported price, the most recent bid price.

4. The Fund will maintain and preserve for a period of not less than six years from the end of the fiscal year in which the proposed in-kind redemption occurs, the first two years in an easily accessible place, a written record of the redemption setting forth a description of each security distributed, the terms of the distribution, and the information or materials upon which the valuation was made.

For the SEC, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,

Deputy Secretary.
