

DEPARTMENT OF ENERGY**Federal Energy Regulatory
Commission****[Docket No. TM99-2-23-000]****Eastern Shore Natural Gas Company;
Notice of Proposed Changes in FERC
Gas Tariff**

November 27, 1998.

Take notice that on November 23, 1998, Eastern Shore Natural Gas Company (ESNG), tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, certain revised tariff sheets in the above captioned docket, with a proposed effective date of November 1, 1998.

ESNG states that the purpose of this instant filing is to track rate changes attributable to storage service purchased from Columbia Gas Transmission Corporation (Columbia) under its Rate Schedules SST and FSS, the costs of which comprise the rates and charges payable under ESNG's Rate Schedule CFSS. This tracking filing is being made pursuant to Section 3 of ESNG's Rate Schedule CFSS.

ESNG states that copies of the filing have been served upon its jurisdictional customers and interested State Commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

David P. Boergers,
Secretary.

DEPARTMENT OF ENERGY**Federal Energy Regulatory
Commission****[Docket No. CP99-79-000]****El Paso Natural Gas Company; Notice
of Request Under Blanket
Authorization**

November 27, 1998.

Take notice that on November 16, 1998, El Paso Natural Gas Company, (El Paso), Post Office Box 1492, El Paso, Texas, 79978, filed in Docket No. CP99-79-000 a request pursuant to Sections 157.205 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.216) for authorization to abandon, by conveyance to PNM Gas Services, a Division of Public Service Company of New Mexico, a portion of Line No. 213 or T or C Line, all as more fully set forth in the request for authorization on file with the Commission and open to public inspection.

El Paso proposes to convey approximately 12.5 miles of the T or C Line and to retain approximately 0.19 miles of T or C Line with the T or C Meter Station in order to continue deliveries of natural gas to PNM Gas Services. PNM Gas Services concludes that the integration of this segment would permit PNM Gas Services to resolve certain existing operational problems in the affected service area. Specifically, integration of the segment as part of PNM Gas Services' distribution system would permit PNM Gas Services to receive its volumes of gas directly off the California pipelines. Thus, PNM Gas Services would be better able to regulate pressure on its entire distribution system.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for

authorization pursuant to Section 7 of the Natural Gas Act.

David P. Boergers,
Secretary.
