#### SUPPLEMENTARY INFORMATION:

##### Background

On August 12, 1998, the Animal and Plant Health Inspection Service (APHIS) published a proposed rule in the **Federal Register** (63 FR 43117-43125, Docket No. 97-110-1) to amend the citrus fruit regulations by recognizing a citrus-growing area within Argentina as being free from citrus canker. In that document, we also proposed to amend the fruits and vegetables regulations to allow the importation of grapefruit, lemons, and oranges from the citrus canker-free area of Argentina under conditions designed to prevent the introduction into the United States of two other diseases of citrus, sweet orange scab and citrus black spot, and other plant pests. These proposed changes would allow grapefruit, lemons, and oranges to be imported into the United States from Argentina subject to certain conditions.

On October 16, 1998, we published in the **Federal Register** (63 FR 55559, Docket No. 97-110-2) a notice advising the public that we were extending the comment period for the proposed rule by 120 days and that we had scheduled a public hearing to give interested persons the opportunity for the oral presentation of data, views, and arguments regarding the proposed rule.

In our October 16, 1998, notice, we announced that the public hearing would be held on December 17, 1998, at the Scherr Forum in the Thousand Oaks Civic Arts Plaza, Thousand Oaks, CA. However, we have been asked to reschedule the public hearing to a later date to give interested persons more time to review the proposed rule and its supporting information prior to the hearing. We have also been informed that the number of attendees at the public hearing may exceed the capacity of the Scherr Forum Theatre.

Therefore, the public hearing that had been scheduled for December 17, 1998, at the Scherr Forum in the Thousand Oaks Civic Arts Plaza, Thousand Oaks, CA, has been canceled. The public hearing is now scheduled for February

8, 1999, at the Fred Kavli Theatre in the Thousand Oaks Civic Arts Plaza, Thousand Oaks, CA.

The purpose of this hearing is to give interested persons an opportunity for the oral presentation of data, views, and arguments. Questions about the content of the proposed rule may be part of the commenters' oral presentations.

However, neither the presiding officer nor any other representative of APHIS will respond to the comments at the hearing, except to clarify or explain provisions of the proposed rule.

A representative of APHIS will preside at the public hearing. Any interested person may appear and be heard in person, by attorney, or by other representative. Written statements may be submitted and will be made part of the hearing record. Persons who wish to speak at a public hearing will be asked to provide their name and organization. We ask that anyone who reads a statement or submits a written statement provide two copies to the presiding officer at the hearing.

The public hearing will begin at 9 a.m. and is scheduled to end at 5 p.m., local time. However, the hearing may be terminated at any time after it begins if all persons desiring to speak have been heard. If the number of speakers at the hearing warrants it, the presiding officer may limit the time for each presentation so that everyone wishing to speak has the opportunity.

Done in Washington, DC, this 25th day of November 1998.
