

the contractor's revenues by its own figures continued to increase until last year. Consequently, the Committee has concluded that these earlier impacts, each of which represented a very small percentage of the contractor's sales, do not have a continuing impact on the contractor.

The project currently being added to the JWOD Program, along with another added this year and a project which was added in 1997, in combination represent a very small percentage of the contractor's estimated total revenues for this year. This percentage is well below the level which the Committee considers possible severe adverse impact. Considering the way the contractor's total sales have moved over the past few years, the Committee does not believe that adding in the contractor's alleged losses to the 8(a) Program would result in a finding of severe adverse impact on this contractor.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the service and impact of the addition on the current or most recent contractors, the Committee has determined that the service listed below is suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4. I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the service to the Government.

2. The action will not have a severe economic impact on current contractors for the service.

3. The action will result in authorizing small entities to furnish the service to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the service proposed for addition to the Procurement List.

Accordingly, the following service is hereby added to the Procurement List:

Janitorial/Custodial, U.S. Courthouse and Annex, Tallahassee, Florida

This action does not affect current contracts awarded prior to the effective

date of this addition or options that may be exercised under those contracts.

Executive Director.
