## SECURITIES AND EXCHANGE COMMISSION

### Issuer Delisting; Notice of Application To Withdraw From Listing and Registration (Boise Cascade Corporation, Common Stock, \$2.50 Par Value; Associated Common Stock Purchase Rights); File No. 1-5057

December 10, 1998.

Boise Cascade Corporate ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified securities ("Securities") from listing and registration on the Pacific Exchange, Inc. ("PCX" or "Exchange").

The reasons cited in the application for withdrawing the Securities from listing and registration include the following:

The Securities of the Company are currently listed on the New York Stock Exchange ("NYSE"), Chicago Stock Exchange ("CHX"), and PCX. The Company's Securities first traded on the PCX in 1965. Currently, the number of shares traded through the PCX is minimal, and has been declining over the last several years.

As part of an overall business review, the Company's management and Board of Directors considered the manner in which its stock is traded in the marketplace. The Company found the majority (well over 90%) of its Securities are traded on the NYSE. After considering many factors, the Company's management and Board of Directors determined that no significant business reasons exist for the Company to continue listing its Securities on the PCX. The Company intends to maintain its listing on the NYSE.

In compliance with the Exchange's rules, the Company sent the PCX a letter requesting voluntary delisting. The letter set out the basis for the Company's decision to delist, and provided a certified copy of the Board resolution authorizing this action.

On November 3, 1998, the Equity Listings Committee of the PCX approved the Company's request to be removed

from listing and registration on the Exchange.

This application relates solely to the withdrawal from listing of the Company's Securities from the PCX and shall have no effect upon the continued listing of the Securities on the NYSE or the CHX.

Any interested person may, on or before January 4, 1999, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the Exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

**Jonathan G. Katz,**

*Secretary.*
