[Docket No. CP98-747-001]

**Koch Gateway Pipeline Company; Notice of Compliance Filing**

December 11, 1998.

Take notice that on November 20, 1998, Koch Gateway Pipeline Company (Koch Gateway), 20 Greenway Plaza, P.O. Box 1478, Houston, Texas 77251-1478, filed in Docket No. CP98-747-001 as part of its FERC Gas Tariff, Volume No. 1, tariff sheets to become effective January 1, 1999, all as more fully set forth in the submittal which is on file with the Commission and open to public inspection.

Koch Gateway has tendered for filing as part of its FERC Gas Tariff, Volume No. 1, the following tariff sheets: Twenty-fifth Revised Sheet No. 20, Original Sheet No. 20A, Twenty-second Revised Sheet No. 21, Twenty-third Revised Sheet No. 22, Twenty-sixth Revised Sheet No. 24, Original Sheet No. 24A, Second Revised Sheet Nos. 716 and 718, Third Revised Sheet No. 719, and Fifth Revised Sheet No. 1414.

Koch Gateway states that the purpose of the filing is to set forth the incremental transportation rates for SLN #'s 10408, 10527, 10459, 10307, 10311, and 11116 on what was formerly Mobile Bay Pipeline Company (Mobile Bay). In an order issued November 13, 1998, in Docket No. CP98-747-000, authorizing Koch Gateway's acquisition of Mobile Bay, the Commission instructed Koch Gateway to make a tariff compliance filing, setting forth the No Notice Service, No Notice Service-Small Customer Option, Firm Transportation Service, Firm Transportation Service-Small Customer Option, and Interruptible Transportation Service Incremental Rates for the receipt and delivery points that were once Mobile Bay. The Commission ruled that the acquisition was permitted by the public convenience and necessity due to the elimination of redundant administrative, regulatory, and business burden associated with operating the two pipelines separately, without harming either the quality of service or rates on what was formerly Mobile Bay.

Any person desiring to be heard or to make any protest with reference to said filing should on or before December 21, 1998, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and

Procedure (18 CFR 385.211 or 18 CFR 385.214). All such motions or protests must be filed as provided by Section 154.210 of the Commission's Rules and Regulations. All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
