SUPPLEMENTARY INFORMATION:**The Applicable Statute**

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended, are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce's regulations are to the regulations at 19 CFR Part 351, 62 FR 27296 (May 19, 1997).

Background

On September 30, 1998, MRD, an interested party, requested an administrative review of the antidumping duty order on LNPPs from Germany in accordance with 19 CFR 351.213(b). On October 29, 1998, in accordance with 19 CFR

351.221(c)(1)(ii), we initiated an administrative review of this order for the period September 1, 1997, through August 31, 1998. On November 20, 1998, MRD withdrew its request for this review.

Termination of Review

MRD withdrew its request within 90 days of the date of publication of the notice of initiation and, thus, within the time limit provided by the Department's regulations at 19 CFR 351.213(d)(1). Therefore, the Department is terminating this review.

This notice serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3) of the Department's Regulations (see 63 FR 24391 (May 4, 1998)). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: December 11, 1998.

Holly Kuga,

Acting Deputy Assistant Secretary, Import Administration.

Oil Country Tubular Goods from Korea: Extension of Time Limit for Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for final results of antidumping duty administrative review.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for the preliminary results for the second review of oil country tubular goods from Korea. This review covers the period August 1, 1996 through July 31, 1997. The extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended.

EFFECTIVE DATE: December 21, 1998.

FOR FURTHER INFORMATION CONTACT: Steve Bezirgianian at (202) 482-0162 or Doug Campau at (202) 482-3964; Office of AD/CVD Enforcement, Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, D.C. 20230.

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930 ("the Act") are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Rounds Agreements Act.

Postponement of Final Results

On September 8, 1998, the Department published the preliminary results for this review. 63 FR 47469. Section 751(a)(3)(A) of the Act requires the Department to complete an administrative review within 120 days of publication of the preliminary results. However, if it is not practicable to complete the review within the 120-day time limit, section 751(a)(3)(A) of the Act allows the Department to extend the time limit to 180 days from the date of publication of the preliminary results. The Department has determined that it is not practicable to issue its final results within the original 120-day time limit (See Decision Memorandum from Joseph A. Spetrini to Robert LaRussa dated November 17, 1998). We are therefore extending the deadline for determination of final results in this review to 180 days from the date on which the notice of preliminary results was published. The fully extended deadline for determination of the final results is March 7, 1998.

Dated December 9, 1998.

Joseph A. Spetrini,

Deputy Assistant Secretary, Enforcement Group III.
