Algonquin Gas Transmission Company; Notice of Compliance Filing

December 18, 1998.

Take notice that on December 14, 1998, Algonquin Gas Transmission Company (Algonquin) tendered for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, Third Revised Sheet No. 687, to become effective December 1, 1998.

Algonquin asserts that the above listed tariff sheet is being filed in compliance with the Commission's November 27, 1998 letter order in Docket No. TM99-1-20 in which the Commission directed Algonquin to file additional information to support its waiver request in its October 30, 1998 filing to permit the computation of the Fuel Reimbursement Quantity Deferred Account surcharge solely on the basis of actual cash transactions to reflect current Commission policy, as expressed in Koch Gateway Pipeline Co., 76 FERC ¶ 61,296 (1996), followed more recently in ANR Pipeline Co., 80 FERC ¶ 61,173 (1997), and since Algonquin's tariff permits the use of imputed values in part. Algonquin states that the revised tariff provision is

being submitted as an alternative to the prospective portion of Algonquin's October 30 waiver-request, consistent with the Commission's policy.

Algonquin also states that the filing includes the data required by the Commission's order; i.e., a detailed explanation and workpapers showing the differences between the adjustments contained in Algonquin's filing in Docket No. TM99-1-20 and those which would have occurred under the procedures previously followed by Algonquin and approved by the Commission.

Algonquin states that copies of the filing were mailed to all affected customers of Algonquin and interested state commissions, as well as all parties in Docket No. TM99-1-20-000.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

(H) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of CES' issuances of securities or assumptions of liabilities* * *.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is January 19, 1999.
