#### Approval and Promulgation of Implementation Plans, State of North Carolina: Approval of Miscellaneous Revisions to the Forsyth County Air Quality Control Ordinance and Technical Code

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

**SUMMARY:** On October 10, 1997, The North Carolina Department of Environment and Natural Resources submitted revisions to the Forsyth County Air Quality Technical Code. These revisions include the updating of several regulations, deletion of previously referenced material, rewriting of several regulations, and the correction of several regulations. In the final rules section of this **Federal Register**, the EPA is approving the

revision as a direct final rule without prior proposal because the EPA views this as a noncontroversial revision amendment and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to that direct final rule no further activity is contemplated in relation to this proposed rule. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period on this document. Any parties interested in commenting should do so at this time.

**DATES:** To be considered, comments must be received by February 1, 1999.

**ADDRESSES:** Written comments on this action should be addressed to Randy Terry at the Environmental Protection Agency, Region 4 Air Planning Branch, 61 Forsyth Street, SW, Atlanta, Georgia 30303.

#### Approval and Promulgation of Implementation Plans; Tennessee: Approval of Revisions to the Nashville/Davidson County Portion of the Tennessee SIP

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

**SUMMARY:** The EPA proposes to approve revisions to the Nashville/Davidson County portion of the Tennessee State Implementation Plan (SIP) concerning air pollution control regulations by the Metropolitan Nashville/Davidson County government. The State of Tennessee through the Tennessee Department of Air Pollution Control submitted the revisions to EPA on April 7, 1997. To be consistent with federal requirements, the State of Tennessee amended the definition of volatile organic compounds (VOCs) and deleted various words in Chapter 10.56, "Air Pollution Control," of the Metropolitan Code of Laws.

In the final rules section of this **Federal Register**, the EPA is approving the State of Tennessee SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to the direct final rule, no further activity is contemplated in relation to this proposed rule. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period on this document. Any parties interested in commenting on this document should do so at this time.

**DATES:** To be considered, comments must be received by February 1, 1999.
