

requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceedings. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this petition if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the petition is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for UPH to appear or be represented at the hearing.

Linwood A. Watson, Jr.,

Acting Secretary.

Williams Gas Pipelines Central, Inc.; Notice of Proposed Changes in FERC Gas Tariff

December 24, 1998.

Take notice that on December 18, 1998, Williams Gas Pipelines Central, Inc. (Williams) tendered for filing to become part of its FERC Gas Tariff, Original Volume No. 1, the following tariff sheets, with the proposed effective date of January 1, 1999:

Substitute Second Revised Sheet No. 38
Substitute First Revised Sheet No. 39

Williams states that on December 1, 1998, as revised December 11, 1998, it made a filing to recover through an alternate mechanism any GSR costs not recovered through the mechanism set forth in Article 14.2 of its tariff. The interest calculation on Schedule 3 of that filing had interest compounded monthly. The instant filing is being made to correct this interest calculation to reflect quarterly compounding. Revised Schedule 3, Pages 1 and 2, and Revised Schedule 4, Pages 1-4 are attached. This correction results in a reduction of approximately \$11,000 in the amount proposed to be recovered.

Williams states that a copy of its filing was served on all participants listed on the service list maintained by the Commission in the docket referenced above and on all of Williams'

jurisdictional customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Williams Gas Pipelines Central, Inc.; Notice of Filing

December 23, 1998.

Take notice that on December 16, 1998, Williams Gas Pipelines Central, Inc. (Williams) tendered for filing revised Schedules 1 and 2 to correct its December 10, 1998 filing in this docket.

Williams states that it made a filing on December 10, 1998, in compliance with order issued November 25, 1998, in this docket. On Schedules 1 and 2 included in that filing, the ITS Summer and Winter rates were reversed for both the production area and the market area. The instant filing is being made to correct this inadvertent error.

Williams states that a copy of its filing was served on all parties on the official service list in this proceeding and on all of Williams' jurisdictional customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public
