Proposed Data Collection Available for Public Comment and Recommendations

SUMMARY: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection

of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and Purpose of information collection: Representative Payee Parental Custody Monitoring.

Under Section 12(a) of the Railroad Retirement Act (RRA), the Railroad Retirement Board (RRB) is authorized to select, make payments to, and to conduct transactions with, a beneficiary's relative or some other person willing to act on behalf of the beneficiary as a representative payee. The RRB is responsible for determining if direct payment to the beneficiary or payment to a representative payee would best serve the beneficiary's interest. Inherent in the RRB's authorization to select a representative payee is the responsibility to monitor the payee to assure that the beneficiary's interests are protected. Triennially, the RRB utilizes Form G-99d, Parental Custody Report, to obtain information needed to verify that a parent-for-child representative payee still has custody of the child. One response is required from each respondent. No changes are proposed to Form G-99d.

Estimate of Annual Respondent Burden

The estimated annual respondent burden is as follows:

Form #(s)	Annual responses	Time (Min)	Burden (Hrs)
G-99d	1,850	5	154
