

population models to evaluate anthropogenic effects, population trends, and define a recovering or steady-state population.

NMFS-SWR (1190) requests a 5-year scientific research permit to take up to 150 loggerhead, 10 green, 10 hawksbill, 25 leatherback, and 10 olive ridley sea turtles annually in the Pacific Basin for the purpose of determining take rates of sea turtles taken incidental to the Hawaiian longline fishery, and to determine the fate of sea turtles released alive after incidental capture. Trained observers may weigh, measure, flipper tag, satellite tag, tissue sample, blood sample, stomach lavage, and release sea turtles taken incidental to the Hawaiian longline fishery. This is a continuation of work permitted under scientific research permit 924, which expires on February 28, 1999.

Dated: December 28, 1998.

Margaret Lorenz,

*Acting Chief, Endangered Species Division,
Office of Protected Resources, National
Marine Fisheries Service.*

BILLING CODE 3510-DR-F

**COMMODITY FUTURES TRADING
COMMISSION**

**Applications of the New York Futures
Exchange for Designation as a
Contract Market in Russell 1,000 Large
Index Futures and Russell 1,000 Index
Futures Options**

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of availability of the terms and conditions of proposed commodity futures and option contracts.

SUMMARY: The New York Futures Exchange (NYFE or Exchange) has applied for designation as a contract market in Russell 1,000 Large Index futures and Russell 1,000 Index options. The Acting Director of the Division of Economic Analysis (Division) of the Commission, acting pursuant to the authority delegated by Commission Regulation 140.96, has determined that publication of the proposals for comment is in the public interest, will assist the Commission in considering the views of interested persons, and is consistent with the purpose of the Commodity Exchange Act.

DATES: Comments must be received on or before January 19, 1999.

ADDRESSES: Interested persons should submit their views and comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581. In addition, comments may be sent by facsimile transmission to facsimile number (202) 418-5521, or by electronic mail to secretary@cftc.gov. Reference should be made to the proposed NYFE Russell 1,000 Index contracts.

FOR FURTHER INFORMATION CONTACT: Please contact Thomas Leahy of the Division of Economic Analysis, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW, Washington, DC 20581, telephone (202) 418-5278. Facsimile number: (202) 418-5527. Electronic mail: tleahy@cftc.gov.

SUPPLEMENTARY INFORMATION: There are no substantive issues raised by the applications, since contracts having similar terms have been approved based on the Russell indexes. In this regard, the proposed Russell 1,000 Index option contract is an option on the previously approved NYFE Russell 1,000 Index futures contract, and the proposed Large Russell 1,000 index futures contract is identical (except for the contract size) to that previously approved contract. In approving the existing NYFE Russell

1,000 futures index contract, the Commission determined that it satisfied the requirements of the Accord. Accordingly, the Division believes that an abbreviated 15-day comment period is appropriate for the subject applications.

Copies of the terms and conditions will be available for inspection at the Office of the Secretariat, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW, Washington, DC 20581. Copies of the terms and conditions can be obtained through the Office of the Secretariat by mail at the above address or by phone at (202) 418-5100.

Other materials submitted by the NYFE in support of the applications for contract market designation may be available upon request pursuant to the Freedom of Information Act (5 U.S.C. 552) and the Commission's regulations thereunder (17 CFR Part 145 (1997)), except to the extent they are entitled to confidential treatment as set forth in 17 CFR 145.5 and 145.9. Requests for copies of such materials should be made to the FOI, Privacy and Sunshine Act Compliance Staff of the Office of the Secretariat at the Commission's headquarters in accordance with 17 CFR 145.7 and 145.8.

Any person interested in submitting written data, views, or arguments on the proposed terms and conditions, or with respect to other materials submitted by the NYFE, should send such comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 21st Street NW, Washington, DC 20581 by the specified date.

Issued in Washington, DC, on December 28, 1998.

John Mielke,

Acting Director.
