Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget, in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301)-443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: Disadvantaged Assistance Tracking and Outcome Report (DATOR)—NEW. The Health Careers Opportunity Program (HCOP) and the Centers of Excellence (COE) program provide opportunities for under represented minorities and disadvantaged individuals to enter and graduate from health professions schools. The Disadvantaged Assistance Tracking and Outcome Report (DATOR) will be used to track program participants through the health professions pathway to a health professions practice outcome. The current inability to track students' educational progress in the health professions is a major impediment in assessing the outcome of these programs. There is currently no identifier used that transcends the various education levels, professional disciplines, and educational institutions.

The DATOR form, to be completed annually by HCOP and COE grantees, includes basic data on student participants (name; social security number; gender; race/ethnicity; targeted health professions; their status in the educational pipeline from pre-professional through professional training; financial assistance received under sections 736 and 739 of the Public Health Service Act in the form of stipends; fellowships or per diem; and, their employment or practice setting following their entry into the health care work force.)

Estimates of annualized burden are as follows:

Type of form	Number of respondents	Responses per respondent	Hours per response	Total burden hours
DATOR	200	1	1	200

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Wendy A. Taylor, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, D.C. 20503.

Dated: December 30, 1998.
