#### FEDERAL EMERGENCY MANAGEMENT AGENCY

##### Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed continuing information collections. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments concerning Mobile Homes Assistance.

SUPPLEMENTARY INFORMATION: Public Law 93-288, as amended by Public Law 100-707, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Section 408, authorizes the Federal Emergency Management Agency (FEMA) to provide Temporary Housing Assistance. This type of assistance could be in the form of mobile homes, travel trailers, or other readily fabricated dwelling. This assistance is used when required to provide disaster housing for victims of federally declared disasters. Accordingly the FEMA Form 90-1, is designed to ensure sites for temporary housing units will accommodate the home and comply with local, State, and Federal regulations regarding the placement of the temporary housing unit; FEMA Form 90-31, ensures the landowner (if other than the recipient of the home) will allow the temporary housing unit to be placed on the property; and ensure that routes on ingress and egress to and from the property are maintained.

##### Collection of Information

Title: Request for Site Inspection; Landowner's Authorization/Ingress/Egress Agreement.

Type of Information Collection: Reinstatement.

OMB Number: 3067-0222.

Form Numbers: 90-1 and 90-31.

Abstract: Temporary Housing Assistance (Disaster Housing Assistance) uses mobile homes, travel trailers, or other forms of readily fabricated housing to provide temporary housing to eligible victims of federally declared disasters. The collection of this information is required to determine the site feasibility for the placement of a temporary housing unit and ensures written permission of the property owner to allow the unit on the land, and rights of ingress and egress for the unit.
