Intent To Remove Wild Horses

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent to remove wild horses.

SUMMARY: Periodic removals of wild horses are necessary in order to maintain a thriving natural ecological balance on the public rangelands. The removals described below are intended to eliminate wild horse populations that have strayed into areas containing large amounts of private land that are outside Herd Management Areas (HMAs) within the jurisdiction of the Rawlins Field Office. HMAs were established through the planning process as a result of monitoring and analysis of data in accordance with the Wild Horse and Burro Act, the National Environmental Policy Act, and Bureau of Land Management policies. This document serves as a Notice of Intent to remove excess wild horses from the following area outside Herd Management Areas.

Rawlins Field Office

I-80 South (Outside HMA)—remove 280 of 280 horses. This action would remove all horses from areas South of Interstate 80 within the jurisdiction of the Rawlins Field Office that have strayed outside of HMAs. The action would begin approximately February 15, 1999, and would be completed on or before September 30, 1999. The removal of horses that stray outside of HMAs was authorized by Decision Record Environmental Assessment Number WY-037-EA1-039, dated February 21, 1992. Weather conditions and other logistical considerations may dictate when the actual removal operations take place within the dates indicated, with the exception that gathers will not take place between April 16 and July 7 due to the foaling season in Wyoming.

Numbers presented are approximate and will be finalized by aircraft census to be conducted during January/February 1999. All actions are in conformance with Bureau of Land Management Policy, documents listed above, and current monitoring data. These actions represent no new decisions.

FOR FURTHER INFORMATION CONTACT: If you have comments on these actions, please contact Rawlins Field Office at P.O. Box 2407, 1300 North Third Street,

Rawlins, Wyoming, 82301, or phone (307) 328-4200.

Notice of Realty Action

SUMMARY: The following public lands in Piute County, Utah have been examined and found suitable for classification for conveyance to Piute County under the provisions of the Recreation and Public Purposes Act, as amended (43 U.S.C. 869 et seq.). Piute County proposes to use the lands for a Class IV landfi: T. 30 S., R.4 W. Sec. 11: NE¼, Sec. 12: SW¼NW¼. Salt Lake Meridian containing 200 acres more or less.

The lands are not needed for Federal purposes. Conveyance is consistent with current BLM land use planning and would be in the public interest.

The patent, when issued will be subject to the following terms, conditions, and reservations:

1. Provisions of the Recreation and Public Purposes Act and all applicable regulations of the Secretary of the Interior.

2. A right-of-way for ditches and canals constructed by the authority of the United States.

3. All minerals shall be reserved to the United States, together with the right to prospect for, mine, and remove the minerals.

Detailed information concerning this action is available at the Office of Bureau of Land Management, 150 East 900 North, Richfield, Utah 84701.

Publication of this notice constitutes notice to the grazing permittees of the Pearson-Lewis Allotment that their grazing leases may be directly affected by this action.

Specifically, the permitted Animal Unit Months (17 AUMs) will be reduced because of this sale, and that the land (200 acres) will be excluded from the allotment effective upon issuance of the patent.

Upon publication of this notice in the **Federal Register**, the lands will be segregated from all other forms of appropriations under the public land laws, including the general mining laws, except for lease or conveyance under the Recreation and Public Purposes Act and leasing under the mineral leasing laws. For a period of 45 days from the date of publications of this notice,

interested persons may submit comments regarding the proposed conveyance or classification of the lands to the Field Manager, Richfield Field Office, 150 East 900 North, Richfield, Utah 84701. Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice.

Classification Comments

Interested parties may submit comments involving the suitability of the land for a landfill. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with the local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments

Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not related to the suitability of the land for a landfill.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice in the **Federal Register**.

Dated: January 7, 1999.

David R. Henderson,

Associate Field Manager.
