Citizens Advisory Committee on Public Health Service Activities and Research at Department of Energy (DOE) Sites: Savannah River Site Health Effects Subcommittee

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC), and the Agency for Toxic Substances and Disease Registry (ATSDR) announce the following meeting.

Name: Citizens Advisory Committee on Public Health Service Activities and Research at DOE Sites: Savannah River Site Health Effects Subcommittee.

Times and Dates: 1 p.m.–5 p.m., February 4, 1999; 7 p.m.–9 p.m., February 4, 1999; 8:30 a.m.–12 noon, February 5, 1999.

Place: Hilton Savannah DeSoto, 15 East Liberty Street, Savannah, Georgia 31412-8207. Telephone 912/232-9000, fax 912/232-6018.

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 75 people.

Background: Under a Memorandum of Understanding (MOU) signed in December 1990 with DOE and replaced by an MOU signed in 1996, the Department of Health and Human Services (HHS) as given the responsibility and resources for conducting analytic epidemiologic investigations of residents of communities in the vicinity of DOE facilities, workers at DOE facilities, and other persons potentially exposed to radiation or to potential hazards from non-nuclear energy production use.

HHS delegated program responsibility to CDC.

In addition, a memo was signed in October 1990 and renewed in November 1992 between ATSDR and DOE. The MOU delineates the responsibilities and procedures for ATSDR's public health activities at DOE sites required under sections 104, 105, 107, and 120 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA or "Superfund"). These activities include health consultations and public health assessments at DOE sites listed on, or proposed for, the Superfund National Priorities List and at sites that are the subject of petitions from the public; and other health-related activities such as epidemiologic studies, health surveillance, exposure and disease registries, health education, substance-specific applied research, emergency response, and preparation of toxicological profiles.

Purpose: This subcommittee is charged with providing advice and recommendations to the Director, CDC, and the Administrator, ATSDR, regarding community, American Indian Tribes, and labor concerns pertaining to CDC's and ATSDR's public health activities and research at this DOE site. The purpose of this meeting is to provide a forum for community, American Indian Tribal, and labor interaction and serve as a vehicle for communities, American Indian Tribes, and labor to express concerns and provide advice to CDC and ATSDR.

Matters to be Discussed: Agenda items include presentations from the National Center for Environmental Health (NCEH), the National Institute for Occupational Safety and Health, and ATSDR on updates regarding the progress of current studies. On February 4, at 7 p.m., the meeting will continue with a presentation by CDC, and/or its contractor, on the results of the Source Term Project of the Savannah River Site Environmental Dose Reconstruction and to allow more time for public input and comment.

All agenda items are subject to change as priorities dictate.

Due to administrative delays in the program, this notice was not published fifteen (15) days in advance of the meeting.

Safety and Occupational Health Study Section; Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following committee meeting:

Name: Safety and Occupational Health Study Section (SOHSS), National Institute for Occupational Safety and Health (NIOSH).

Times and Dates: 8 a.m.-5:30 p.m. February 11, 1999. 8 a.m.-5:30 p.m. February 12, 1999.

Place: Embassy Suites, 1900 Diagonal Road, Alexandria, VA 22314.

Status: Open 8 a.m.-8:30 a.m. February 11, 1999. Closed 8:30 a.m.-5:30 p.m. February 11, 1999. Closed 8 a.m.-5:30 p.m. February 12, 1999.

Purpose: The Safety and Occupational Health Study Section will review, discuss, and evaluate grant application(s) received in response to the Institute's standard grants review and funding cycles pertaining to

research issues in occupational safety and health and allied areas.

It is the intent of NIOSH to support broad-based research endeavors in keeping with the Institute's program goals which will lead to improved understanding and appreciation for the magnitude of the aggregate health burden associated with occupational injuries and illnesses, as well as to support more focused research projects which will lead to improvements in the delivery of occupational safety and health services and the prevention of work-related injury and illness. It is anticipated that research funded will promote these program goals.

Matters to be Discussed: The meeting will convene in open session from 8-8:30 a.m. on February 11, 1999, to address matters related to the conduct of Study Section business. The remainder of the meeting will proceed in closed session. The purpose of the closed sessions is for the Safety and Occupational Health Study Section to consider safety and occupational health related grant application. These portions of the meeting will be closed to the public in accordance with provisions set forth in section 552b(c)(4) and (6), title 5 U.S.C., and the Determination of the Associate Director for Management and Operations, DCD, pursuant to Public Law 92-463.

Agenda items are subject to change as priorities dictate.

Proposed Information Collection Activity; Comment Request

Proposed Project

Title: Form OCSE-396A, Child Support Enforcement Program Financial Report and Form OCSE-34A, Child Support Enforcement Program Quarterly Report of Collections.

OMB No. 0970-0181.

Description: These forms are used by States to report the expenditures and the collections of child support payments made under Title IV-D of the Social Security Act during each fiscal quarter. These forms also report the semiannual budget estimates for the program and the portion of the collected payments to be distributed to the custodial parent or to the Federal or State governments. The information is used to calculate quarterly grant awards, annual incentive payments to the States, annual "hold harmless" payments and is published in an Annual Report to Congress. Respondents are limited to the designated child support enforcement agency in each State.

Respondents: States.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
396A	54	4	8	1,728
34A	54	4	8	1,728

Estimated Total Annual Burden Hours: 3,456.

In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Information Services,

370 L'Enfant Promenade, S.W., Washington, D.C. 20447, Attn: ACF Reports Clearance Officer. All requests should be identified by the title of the information collection.

The Department specifically requests comments on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c)

the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.
