Part I. Background Information

A. Legislative Authority

The Assets for Independence Demonstration Program (IDA Program) was established by the Assets for Independence Act (AFI Act), under Title IV of the Community Opportunities, Accountability, and Training and Educational Services Act of 1998 (P.L. 105-285, 42 U.S.C. 604 Note).

B. Program Purpose

The purpose of the program is, in the language of the AFI Act: to provide for

the establishment of demonstration projects designed to determine:

(1) The social, civic, psychological, and economic effects of providing to individuals and families with limited means an incentive to accumulate assets by saving a portion of their earned income;

(2) The extent to which an asset-based policy that promotes saving for postsecondary education, homeownership, and microenterprise development may be used to enable individuals and families with limited means to increase their economic self-sufficiency; and

(3) The extent to which an asset-based policy stabilizes and improves families and the community in which the families live.

C. The Catalog of Federal Domestic Assistance (CFDA) number for this program is 93.602. The title is Assets for Independence Demonstration Program (IDA Program).

Part II. Program Objectives and Requirements

The Office of Community Services (OCS) invites qualified entities to submit competing grant applications for new demonstration projects that will establish, support, manage, and participate in the evaluation of Individual Development Accounts for eligible participants among lower income individuals and families.

A. Program Priority Areas

There are two Program Priority Areas under this program: Priority Area 1.0, under which OCS will accept applications from Qualified Entities as described below and in Section G; and Priority Area 2.0, under which OCS will accept applications from States for eligible statewide individual asset-building programs carried out in a manner consistent with the purposes of the Assets for Independence Act, that were established under State law as of the date of enactment of that act [October 27, 1998], and that as of such date were operating with an annual State appropriation of not less than \$1,000,000 in non-Federal funds.

B. Eligible Applicants

Eligible applicants for the Assets for Independence Demonstration Program Priority Area 1.0 are one or more not-for-profit 501(c)(3) tax exempt organizations, or a State or local government agency, or a tribal government, submitting an application jointly with such a not-for-profit organization. Applicants must provide documentation of their tax exempt status. The applicant can accomplish this by providing a copy of the applicant's listing in the Internal Revenue Service's (IRS) most recent list of tax-exempt organizations described in Section 501(c)(3) of the IRS code or by providing a copy of their currently valid IRS tax exemption certificate. Failure to provide evidence of Section 501(c)(3) tax exempt status will result in rejection of the application.

For Priority Area 2.0 eligible applicants are States which are carrying out any statewide individual asset-building program that is carried out in a manner consistent with the purposes of the Assets for Independence Act, and which was established under State law as of the date of enactment of that act [October 27, 1998], and that as of such date was operating with an annual State appropriation of not less than \$1,000,000 in non-Federal funds. Applicants under Priority Area 2.0 must provide documentation that their program meets these requirements.

C. Project and Budget Periods for Projects under Priority Area 1.0

This announcement is inviting applications under Priority Area 1.0 for project and budget periods of five (5) years. Grant actions, on a competitive basis, will award funds for the full five year project and budget period. As noted below in Section E., subject to the availability of funds, grantees may be offered the opportunity to compete for supplementary funding in later years during the five-year project.

Note: Applicants should be aware that OCS funds awarded pursuant to this Announcement will be from FY 1999 funds and may not be expended after the end of the five-year Project/Budget Period to support administration of the project or matching contributions to Individual Development Accounts which may be open at that time.

D. Project and Budget Periods for Projects Under Priority Area 2.0

This announcement is inviting applications from eligible States under Priority Area 2.0 for project periods of five (5) years. Awards will be for an initial one-year budget period. Applications for continuation grants funded under these awards beyond the

one-year budget period but within the five (5) year project period will be entertained in subsequent years on a noncompetitive basis, subject to satisfactory progress of the grantee, availability of funds, and a determination that continued funding would be in the best interest of the Government.

E. Funds Availability and Grant Amounts Under Priority Area 1.0

In Fiscal Year 1999 approximately \$7.44 million is available under Priority Area 1.0 for funding commitments to approximately 30 projects, not to exceed \$500,000 and averaging a total of approximately \$250,000 for the five-year project and budget periods. Applicants are reminded that grant awards are limited to the amount of committed non-Federal cash matching contributions, and are urged to make realistic projections of project needs over the five year project and propose project budgets accordingly. Draw-down of grant funds over the five-year budget period will be permitted in amounts that will match non-Federal deposits into the Project Reserve Fund. (See PART II Section I.) As noted above, subject to availability of funds and the progress of individual demonstration projects, grantees may be offered the opportunity to compete for supplementary funding in later years during the five-year project, if there were a determination that this would be in the best interest of the government.

F. Funds Availability and Grant Amounts Under Priority Area 2.0

In Fiscal Year 1999 up to approximately \$1.86 million is available under Priority Area 2.0 for up to two grants of up to approximately \$930,000 each for the first budget year of a five-year State project. Any funds not awarded in FY 1999 under Priority Area 2.0 will be available for project grants under Priority Area 1.0.

G. Project Eligibility and Requirements Under Priority Area 1.0

To be eligible for funding under Priority Area 1.0, projects must be sponsored and managed by Qualified Entities and must meet the following requirements:

(1) Reserve Fund. A grantee, other than a State or local government agency or tribal government, must establish a Reserve Fund and maintain it in accordance with accounting regulations prescribed by the Secretary. (Note: Such regulations will be issued prior to grant awards and made available to grantees at the time of the award.)

(a) Amounts in the Reserve Fund. As soon after receipt as is practicable, such grantees shall deposit in such Reserve Fund the non-Federal matching contributions received pursuant to the "Non-Federal Share Agreement" or Agreements reached with the provider(s) of non-Federal matching contributions. Once such non-Federal funds are deposited in the Reserve Fund, grantees may draw down OCS grant funds in amounts equal to such deposits. Similarly, as soon after receipt as practical, such grantees shall deposit the income received from any investment made of those funds (see below).

(b) Use of Amounts in the Reserve Fund. Grantees shall use the amounts in such Reserve Fund as follows:

(A) At least 90.5% of the funds shall be used as matching contributions, equally divided between federal and non-federal monies, to individual development accounts for project participants, in an agreed upon ratio to deposits made in those accounts by project participants from earned income.

(B) At least 2% but no more than 9.5% of the Federal grant funds shall be used toward the expense of collecting and providing to the research organization evaluating the demonstration project the data and information required for the evaluation.

(C) Up to 7.5% of the Federal grant funds may be used for administration of the demonstration project and toward expenses of assisting project participants to obtain the skills (including economic literacy, budgeting, and business management skills), training, and information necessary to achieve economic self-sufficiency through activities requiring qualified expenses.

(D) Up to 9.5% of the required matching non-Federal funds may be used for expenses outlined in Paragraphs (B) and (C), above, or other project-related expenses as agreed by the Applicant and the providing entity.

Note: If a grantee mobilizes matching non-Federal contributions in excess of the required 100 percent match, such non-Federal funds may be used however the grantee and provider of the funds may agree.

(c) Authority to Invest Funds. A grantee shall invest the amounts in its Reserve Fund that are not immediately needed for payment under paragraph (b), in a manner that provides an appropriate balance between return, liquidity, and risk, and in accordance with Guidelines which will be issued by the Secretary prior to making of grant awards and provided to grantees at the time of grant award.

(d) Use of Investment Income. Income generated from investment of Reserve Fund monies that are not allocated to existing Individual Development Accounts may be added by grantees to the funds committed to program administration, participant support, or evaluation data collection. As noted in Paragraph M, below, once funds have been committed as matching contributions to Individual Development Accounts, then any income subsequently generated by such funds must be deposited/credited to the credit of such accounts.

Note: No part of such income is to be considered as a Federal funds contribution subject to the \$2000/\$4000 limitations under Paragraph (5)(b), below.

(e) Joint Project Administration. If two or more qualified entities are jointly administering a project, none shall use more than its proportional share for the purposes described in subparagraphs (B) and (C), of paragraph (b).

(2) Eligibility and Selection of Project Participants.

(a) Participant Eligibility. Eligibility for participation in the demonstration projects is limited to individuals who are members of households eligible for assistance under TANF or of households whose adjusted gross income does not exceed the earned income amount described in Section 32 of the Internal Revenue Code of 1986 (taking into account the size of the household), and whose net worth as of the end of the calendar year preceding the determination of eligibility does not exceed \$10,000, excluding the primary dwelling unit and one motor vehicle owned by a member of the household.

(b) Participant Selection. In keeping with the statutory preference in Section 405(d)(3) of the AFI Act for applications that target individuals from neighborhoods or communities that experience high rates of poverty or unemployment, grantees under Priority Area 1.0 only, in their selection of Project Participants, may restrict participation in such neighborhoods or communities targeted by their demonstration projects to individuals and households with lower incomes and net worth than set forth above, provided that they shall nonetheless select individuals that they determine to be best suited to participate in the demonstration project.

(3) Establishment of Individual Development Accounts. Grantees must create, through written governing instruments, trusts which will be Individual Development Accounts on behalf of Project Participants. Trustees must be Qualified Financial Institutions. The written governing instruments of

the trusts must contain the following requirements:

(a) No contribution will be accepted unless in cash or by check.

Note: In accordance with U.S. Treasury Regulations and accepted commercial practice, electronic transfer of funds will be considered a cash payment for purposes of this Announcement.

(b) The assets of the trust will be invested in accordance with the direction of the Project Participant after consultation with the grantee and pursuant to the guidelines of the Secretary (which will be issued prior to the making of grant awards and made available to grantees at the time of grant award).

(c) The assets of the trust will not be commingled with other property except in a common trust fund or common investment fund.

(d) In the event of the death of the Project Participant, any balance remaining in the trust shall be distributed within 30 days of the date of death to another Individual Development Account established for the benefit of an eligible individual as directed by the Participant in the Savings Plan Agreement under subparagraph (h), below; provided, that the Participant may at their option direct the disposition of any funds in the trust which were deposited in the trust by the Participant.

(e) Except in the case of the death of the Project Participant, amounts in the trust attributable to deposits by the grantee from grant funds and matching non-federal contributions, and any interest thereon, may be paid, withdrawn or distributed out of the trust only for the purpose of paying qualified expenses of the Project Participant (i.e. for post-secondary education expenses, first-home purchase, or business capitalization. See PART I Section D(11))

(f) The procedures governing the withdrawal of funds from the Individual Development Account, for both Qualified Expenses and Emergency Withdrawals, which comply with the provisions of Paragraph (6) Withdrawals from Individual Development Accounts, below.

(g) A provision, in accordance with the direction of the Project Participant, for the distribution within 30 days of any balance in the trust on the day following the death of such Participant, to another individual development account established for the benefit of an eligible individual.

[Note] that this will mean that each Project Participant must provide such direction at the time the Individual Development

Account is established. Provision should be made by grantees for modification of such directions during the course of the project, in the event of changing circumstances.]

(h) a "Savings Plan Agreement" between the grantee and the Project Participant, which should include: (1) savings goals (including a proposed schedule of savings deposits by the Participant from earned income, which may be for a period of less than five years); (2) the rate at which participant savings will be matched (from one dollar to eight dollars for each dollar in savings deposited by Participant, up to a total of \$2000 during the five-year project period); (3) the proposed qualified expense for which the Account is maintained, (4) any training or education related to the qualified expense which the Grantee agrees to provide and of which the Participant agrees to partake, (5) contingency plans in the event that the Participant exceeds or fails to meet projected savings goals or schedules, (6) any agreement as to investments of assets described in subparagraph (c), above, (7) provision for disposition of the funds in the trust (account) in the event of the Participant's death (see sub-Paragraph (d), above; and (8) provision for amendment of the Agreement with the concurrence of both Grantee and Participant.

(4) Custodial Accounts. Grantees may establish Custodial Accounts on behalf of minor children of Eligible Individuals, or up to age 24 in the case of students, of disabled dependents of Eligible Individuals, or of Eligible Individuals who are disabled. Such a Custodial Account shall be treated as a trust if the assets of the custodial account are held by a bank (as defined in section 408(n) of the Internal Revenue Code of 1986) or another person who demonstrates, to the satisfaction of the Secretary, that the manner in which such person will administer the custodial account will be consistent with the requirements of the AFI Act and paragraph (3), above, and if the custodial account would, except for the fact that it is not a trust, constitute an individual development account described above. In the case of a custodial account treated as a trust by reason of the preceding sentence, the custodian of that custodial account shall be treated as the trustee of the account. Grantees are reminded that (1) the savings deposits into such Custodial Accounts can be made only from earned income of the Eligible Individual, and (2) there is a limitation of \$2000 per individual and \$4000 per household on matching contributions from OCS grant funds.

(5) Deposits in Individual Development Accounts.

(a) Matching Contributions. Not less than once every three months during the demonstration project grantees will make deposits into Individual Development Accounts, or into a parallel account maintained by the grantee, as matching contributions to deposits made by Project Participants during the period since the previous deposit, from earned income.

Note: Deposits made by Project Participants shall be deemed to have been made from earned income so long as the Participant's earned income (as defined in Section 911(d)(2) of the Internal Revenue Code of 1986) during the period since the Participant's previous deposit in the account is greater than the amount of the current deposit.

Matching contributions must be made in equal amounts from Federal grant funds and non-Federal public and private funds committed to the project as matching contributions. Matching contribution deposits by grantees (Federal plus non-Federal) may be from \$1 to \$8 for each dollar of earned income deposited in the account by the Project Participant in whose name the account is established. At the time such deposits are made, the grantee will also deposit into the Individual Development Account (or the parallel account) any interest or income that has accrued since the previous deposit on amounts previously deposited in or credited to that account.

(b) Limitations on Matching Contributions. Over the course of the five year demonstration, not more than \$2,000 in Federal grant funds shall be provided through matching contributions to any one individual; and not more than \$4,000 shall be provided to any one household.

(6) Withdrawals from Individual Development Accounts.

(a) Limitations. No earlier than six months after the initial deposit by a Project Participant in an Individual Development Account, funds may be withdrawn from such account, but only upon written approval of the Project Participant and of a responsible official of the project grantee, and only for one or more Qualified Expenses (as defined in Part I) or for an Emergency Withdrawal.

(b) Emergency Withdrawals. An Emergency Withdrawal may only be of those funds, or a portion of those funds, deposited in the account by the Project Participant, and for the following purposes:

(i) Expenses for medical care or necessary to obtain medical care for the

Project Participant or a spouse or dependent of the Participant;

(ii) Payments necessary to prevent eviction of the Project Participant from, or foreclosure on the mortgage for, the principal residence of the Participant;

(iii) Payments necessary to enable the Project Participant to meet necessary living expenses (food, clothing, shelter—including utilities and heating fuel) following loss of employment.

(c) Reimbursement of Emergency Withdrawals. A Project Participant shall reimburse an Individual Development Account for any funds withdrawn from the account for an Emergency Withdrawal, not later than 12 months after the date of the withdrawal. If the Participant fails to make the reimbursement, the Project Grantee must transfer the funds deposited into the account or a parallel account from Federal and non-Federal matching contributions, and any income generated thereby, back to the Reserve Fund of the grantee, and use the funds to benefit other individuals participating in the demonstration project involved. Any remaining funds deposited by the Project Participant (plus any income generated thereby) shall be returned to such Project Participant.

(d) Transfers to Individual Development Accounts of Family Members. At the request of a Project Participant, and with the written approval of a responsible official of the grantee, amounts may be paid from an individual development account directly into another such account established for the benefit of an eligible individual who is—

(i) The Participant's spouse, or

(ii) Any dependent of the Participant with respect to whom the Participant is allowed a deduction under section 151 of the Internal Revenue Code of 1986.

H. Project Eligibility and Requirements under Priority Area 2.0

State applicants which are eligible under Priority Area 2.0 (see PART II Sections A and B) are subject to the same Project Eligibility standards and Requirements as grantees under Priority Area 1.0 except that where such standards or requirements are inconsistent with State statutory requirements in effect as of the date of enactment of the AFI Act (October 27, 1998), governing such statewide program, they shall not apply to the program.

I. Non-Federal Matching Funds Requirements

Grantees must provide at least one hundred percent of the OCS grant

amount in cash non-Federal share for deposit to the Reserve Fund as matching contribution. Public sector resources that can be counted toward the minimum required match include funds from State and local governments, and funds from various block grants allocated to the States by the Federal Government providing the authorizing legislation for these grants permits such use. (Note, for example, that Community Development Block Grant (CDBG) funds may be counted as matching funds; CSBG FUNDS MAY NOT.) To be considered for funding an Application must include a copy of a "Non-Federal Share Agreement" or Agreements in writing executed with the entity or entities providing the required non-Federal matching contributions, on letterhead of the entity and signed by a person authorized to make a commitment on behalf of the entity. Such Agreement(s) must include: (1) a commitment to provide the non-Federal funds contingent only on the grant award; (2) a schedule of deposits to the project's Reserve Fund of at least ten percent of the total committed for the entire project at the start of each of the five Project Years, plus any additional amounts needed to assure that there is at least \$2000 of non-Federal matching contribution funds in the Reserve Fund for each Individual Development Account that has been opened; and (3) a statement that up to 9.5 percent of the required non-Federal matching contribution funds it provides may be allocated from the Reserve Fund to the support of project administration, Participant support, data collection or other project-related expenses. (See Section G(1)(b), above, and PART IV, Section D(5)) Grantees are encouraged to mobilize additional resources, which may be cash or in-kind contributions, Federal or non-Federal, for support of project administration and assistance to Project Participants in obtaining skills, knowledge, and needed support services. (See PART III, Element IV)

Note: If a grantee mobilizes matching non-Federal contributions in excess of the required 100 percent match, such non-Federal funds may be used however the grantee and provider of the funds may agree. Grantees will be held accountable for commitments of such excess matching funds and additional resources proposed or pledged as part of an approved application even if over the amount of the required match.

J. Preferences

In accordance with the provisions of the AFI Act, in considering an application to conduct a demonstration project under Priority Area 1.0, OCS

will give preference to an application that

(1) Demonstrates the willingness and ability of the applicant to select individuals for participation in the project who are predominantly from households in which a child (or children) is living with the child's biological or adoptive mother or father, or with the child's legal guardians;

(2) Provides a commitment of non-Federal funds with a proportionately greater amount of such funds committed from private sector sources; and

(3) Targets individuals residing within one or more relatively well-defined neighborhoods or communities (including rural communities, public housing developments, Empowerment Zones and Enterprise Communities) that experience high rates of poverty or unemployment.

K. Multiple Applications

Qualified Entities may submit more than one application for different demonstration projects, but no more than one such application will be funded to the same Qualified Entity.

L. Treatment of Program Income

As noted in Section G(1)(d), above, income generated from investment of unallocated funds in the Reserve Fund may be added to the funds already committed from the Reserve Fund to program administration, participant support, or evaluation data collection. However, once funds have been committed as matching contributions to Individual Development Accounts, then any income generated by such funds must be deposited proportionately to the credit of such accounts.

Note: No part of such income is to be considered as a Federal funds contribution subject to the \$2000/\$4000 limitations under Section G(5)(b), above. (See also Sections G(1)(d) and G(5)(a), above).

M. Agreements With Qualified Financial Institutions

All applicants under Priority Area 1.0 must enter into agreements with one or more Qualified Financial Institutions, under which Reserve Funds and Individual Development Accounts will be established and maintained. To be considered for funding, an Application under Priority Area 1.0 must include a copy of an Agreement or Agreements with one or more partnering Qualified Financial Institutions, which state(s) that the accounting procedures to be followed in account management will conform to Guidelines established by the Secretary (which will be issued prior to grant awards and made available to grantees at time of award),

and under which the partnering Financial Institution agrees to provide data and reports as requested by the applicant. The Agreement may also include other services to be provided by the partnering Financial Institution that could strengthen the program, such as Financial Education Seminars, favorable pricing or matching contributions provided by the Financial Institution, and assistance in recruitment of Project Participants.

Part III. The Project Description, Program Proposal Elements and Review Criteria

The project description provides a major means by which an application is evaluated and ranked to compete with other applications for available assistance. The project description should be concise and complete and should address the activity for which Federal funds are being requested. Supporting documents should be included where they can present information clearly and succinctly. Cross-referencing should be used rather than repetition. OCS is particularly interested in specific factual information and statements of measurable goals in quantitative terms. Project descriptions are evaluated on the basis of substance, not length. Extensive exhibits are not required. (Supporting information concerning activities that will not be directly funded by the grant or information that does not directly pertain to an integral part of the grant funded activity should be placed in an appendix.) Pages should be numbered and a table of contents should be included for easy reference.

A. Project Summary

Applicants should provide a Project Summary of not more than one page which should be page 1 of the Project Narrative-/Description.

B. Project Goals, Application Brevity

The ultimate goals of the projects to be funded under the Assets for Independence Demonstration Program are: (1) to achieve, through project activities and interventions, the creation of asset accumulation opportunities for recipients of Temporary Assistance for Needy Families (TANF) and other eligible individuals and families that can lead to economic self-sufficiency of members of the communities served through activities requiring one or more qualified expenses; (2) to support and make possible the evaluation of the effectiveness of these interventions and of the project design through which they were implemented; and (3) thus to make possible the replication of successful

programs. As noted here, OCS intends to make the awards of all the above grants on the basis of brief, concise narrative project descriptions. The elements and format of these project descriptions, along with the review criteria that will be used to evaluate them, will be outlined in this Part.

In order to simplify the application preparation and review process, OCS seeks to keep grant proposals cogent and brief. Applications with project narratives (excluding appendices) of more than 30 letter-sized pages of 12 c.p.i. type or equivalent on a single side will not be reviewed for funding. Applicants should prepare and assemble their project description using the following outline of required project elements. They should, furthermore, build their project concept, plans, and application description upon the guidelines set forth for each of the project elements.

C. Proposal Elements and Review Criteria for Applications Under Priority Area 1.0

Applications which pass the initial screening will be assessed and scored by reviewers. Each reviewer will give a numerical score for each application reviewed. These numerical scores will be supported by explanatory statements on a formal rating form describing major strengths and weaknesses under each applicable criterion published in the Announcement. Scoring will be based on a total of 100 points.

The competitive review of proposals will be based on the degree to which applicants:

(1) Adhere to the requirements in PART II and incorporate each of the Elements and Sub-Elements below into their proposals, so as to:

(2) Describe convincingly a project that will develop new asset accumulation opportunities for TANF recipients and other eligible individuals and families that can lead to a transition from dependency to economic self-sufficiency through activities requiring one or more qualified expenses; and

(3) Provide for the collection of relevant data to support the testing and evaluation of the project design, implementation, and outcomes so as to make possible replication of a successful program.

For each of the Project Elements or Sub-Elements below there is at the end of the discussion a suggested number of pages to be devoted to the particular element or sub-element. These are suggestions only; but the applicant must remember that the overall Project Narrative must not be longer than 30 pages.

Element I. Organizational Experience and Administrative Capability. (Total Weight of 0 to 20 Points)

Sub-Element I(a) Experience and Staffing. (Weight of 0–10 Points)

The applicant should cite its capability and relevant experience in developing and operating programs which deal with poverty problems similar to those to be addressed by the proposed project, including the provision of supportive services to TANF recipients and other low income individuals and families seeking to achieve economic stability and self-sufficiency, as well as with evaluations and data collection. Applications should identify applicant agency executive leadership in this section and briefly describe their involvement in the proposed project and provide assurance of their commitment to its successful implementation. The application should note and justify the priority that this project will have within the agency including the facilities and resources that it has available to carry it out.

Finally, the application must identify the two or three individual staff persons who will have the most responsibility for managing the project, coordinating services and activities for participants and partners, and for achieving performance targets. The focus should be on the qualifications, experience, capacity and commitment to the program of the key staff persons who will administer and implement the project. The person identified as Project Director should have supervisory experience, experience in working with financial institutions and budget related problems of the poor, and experience with the target population. Because this is a demonstration project within an already-established agency, OCS expects that the key staff person(s) would be identified, if not hired.

It is suggested that applicants use no more than 3 pages for this sub-Element, not counting actual resumes or position descriptions, which should be included in an Appendix to the proposal.

Sub-Element I(b) Ability to Assist Participants. (Weight of 0–10 Points)

The experience and ability of the applicant in recruiting, educating, and assisting project participants to increase their economic independence and general well-being through the development of assets. The application should cite the organization's experience in collaborative programming and operations which involve financial institutions and financial planning, budget counseling, educational guidance, preparation for

home ownership, and self-employment training. The application should also cite the roles, responsibilities, and experience of any other organizations that will be collaborating with the Applicant to assist and support Project Participants in the pursuit of their goals under the project.

It is suggested that applicants use no more than 3 pages for this sub-Element. Any supportive materials or reports should be included in the Appendix to the proposal.

Element II. Sufficiency of the Project Theory, Design, and Plan (Total Weight of 0–40 Points)

The degree to which the project described in the application appears likely to aid project participants in achieving economic self-sufficiency through activities requiring one or more qualified expenses.

OCS seeks to learn from the application why and how the project as proposed is expected to establish the creation of new opportunities for asset accumulation by eligible individuals and families that can lead to significant improvements in individual and family self-sufficiency through activities requiring one or more qualified expenses: for post-secondary education, home ownership, and/or qualified business capitalization.

Applicants are urged to design and present their project in terms of a conceptual cause-effect framework that makes clear the relationship between what the project plans to do and the results it expects to achieve.

Sub-Element II(a). Description of Target Population, Analysis of Need, and Project Assumptions (Weight of 0–15 Points)

The project design or plan should begin with identifying the underlying assumptions about the program. These are the beliefs on which the proposed program is built. They should begin with assumptions about the strengths and needs of the population to be served; about how the accumulation of assets will enable project participants to build on those strengths in their quest to achieve self-sufficiency; about what anticipated needs of the participants could be barriers to that achievement, and why and how the services or interventions proposed by the applicant are appropriate and will meet those needs and remove such barriers; and about the impact the proposed interventions will have on the project participants.

In other words, the underlying assumptions of the program are the applicant's analysis of the participant

strengths and potential to be supported and their needs and problems to be addressed by the project, and the applicant's theory of how its proposed interventions will address those strengths and needs to achieve the desired result. Thus a strong application is based upon a clear description of the needs and problems to be addressed and a persuasive understanding of the causes of those problems.

In this sub-element of the proposal the applicant must precisely identify the target population to be served. The geographic area to be impacted should then be briefly described, citing the percentage of residents who are low-income individuals and TANF recipients, as well as the unemployment rate, and other data that are relevant to the project design.

The application should include an analysis of the identified personal barriers to employment, job retention and greater self-sufficiency faced by the population to be targeted by the project. (These might include such problems as illiteracy, substance abuse, family violence, lack of skills training, health or medical problems, need for childcare, lack of suitable clothing or equipment, or poor self-image.) The application should also include an analysis of the identified community systemic barriers which the project will seek to overcome. These might include lack of public transportation; lack of markets; unavailability of financing, insurance or bonding; inadequate social services (employment service, child care, job training); high incidence of crime; inadequate health care; or environmental hazards. Applicants should be sure not to overlook the personal and family services and support needed by project participants after they are on the job which will enhance job retention and advancement, and help to assure that benefits attainable through asset accumulation are not wasted by crises beyond the participants' control.

Note: In accordance with the legislative preferences set forth in Part III Section J, above, the maximum score for this sub-Element in the review of applications under Priority Area 1.0 will only be given to applications which—

(1) Demonstrate the willingness and ability of the applicant to select individuals for participation in the project who are predominantly from households in which a child (or children) is living with the child's biological or adoptive mother or father, or with the child's legal guardians; and

(2) Target individuals residing within one or more relatively well-defined neighborhoods or communities (including rural communities, public housing developments, Empowerment Zones and

Enterprise Communities) that experience high rates of poverty or unemployment.

Each of these preferences will be valued at 2 points in the proposal review, so that the absence of one will reduce the review score for the sub-Element by 2 points; the absence of both will reduce the review score by 4 points.

It is suggested that applicants use no more than 5 pages for this Sub-Element.

Sub-Element II(b). Project Approach and Design: Interventions, Outcomes, and Goals (Weight of 0–20 Points)

The Application should outline a plan of action which describes the scope and detail of how the proposed work will be accomplished and result in outcomes which will build on the strengths of the Program Participants and assist them to overcome the identified personal and systemic barriers to achieving self-sufficiency. In other words, what will the project staff do with the resources provided to the project and how will what they do (interventions) assist project participants to accumulate assets in Individual Development Accounts and use those assets for qualified expenses in a manner that will lead them to self-sufficiency?

In this sub-element the applicant should discuss all of the planned activities and interventions and should explain the reasons for taking the approaches proposed.

The application should include here a brief discussion of the following aspects of the proposed project:

- (1) Plans for recruitment of participants into the program;
- (2) Criteria for selection of participants from among the eligible target population;
- (3) The proposed rate(s) for matching contributions to Individual Development Accounts. (If more than one rate project-wide is proposed, the rationale should be provided);
- (4) The provisions of the "Savings Plan Agreements" proposed to be made with Project Participants and included in the Trust Agreements establishing Individual Development Accounts. (A sample Savings Plan Agreement may be provided to satisfy this criterion.) [See PART II, Section G(3)(g) of this Announcement]
- (5) The role of partnering financial institutions in account management and data collection and reporting;
- (6) The role of the applicant and partners in providing training, counseling, and other types of support to participants, including those activities documented as in-kind contributions to the project under Element IV, below; and
- (7) Any plans included in the proposed project for crisis intervention

activities that will be able to provide assistance to participants so as to avoid emergency withdrawals which might jeopardize continued participation in the project.

It is suggested that applicants use no more than 9 pages for this Sub-Element, not including any sample "Savings Plan Agreement", which if provided should be included in an Appendix.

Sub-Element II(c). Work Plan, Projections, Time Lines. (Weight of 0–5 Points)

Applicant should provide quantitative quarterly projections of the activities to be carried out and such information as the projected number of participants to be enrolled, the number of Individual Development Accounts to be opened, the number and amount of deposits, and the number and types of services provided to participants. The plan should briefly describe the key project tasks, and show the timelines and major milestones for their implementation. Applicant may be able to use a simple Gantt or time line chart to convey the work plan in minimal space.

It is suggested that applicants use no more than 2 pages for this Sub-Element.

Element III. Evaluation Data: Adequacy of Plan for Providing Information for Evaluation (Weight of 0–15 Points)

Applicant should identify the kinds of data to be collected, maintained, and/or disseminated. The AFI Act makes provision for a national evaluation of the demonstration program as a whole, and sets aside 2% of the appropriated funds for its support. In addition, each grantee must spend at least 2% of its grant funds (but not more than 9.5%) for the collection of data needed to support the evaluation. This Element of the application will be judged on the adequacy of the plan for providing information relevant to an evaluation of the project.

Note: The maximum score for this Element will be awarded in the review process to applications that include a statement that the applicant agrees to use the "MIS IDA" information system software developed by the Center for Social Development, or a *comparable and compatible* system, for the maintenance, collection, and transmission of data from the proposed project.

It is suggested that applicants use no more than 2 pages for this Element.

Element IV. Commitment of Non-Federal Funds and Additional Resources. (Weight of 0–15 Points)

The aggregate amount of direct funds from non-federal public sector and from private sources that are formally committed to the project as matching

contributions; and the mobilization of additional resources in support of project.

As noted below in Part IV, Paragraph D Initial OCS Screening, only applications which include written documentation of a commitment to the provision of a non-Federal share, in cash as distinguished from in-kind, of at least the amount of the total federal budget for the project will be considered for competitive review.

At the same time, OCS has determined that the strict legislative limitations on the use of Federal grant funds and of the minimum required non-Federal match (at least 90.5% of each must go toward matching deposits in Individual Development Accounts) mean that important training, counseling and support activities, critical to the success of a project, can only be supported by additional resources, both of the applicant itself and mobilized by the applicant in the community.

Consequently, applicants documenting only the required non-Federal 100% cash matching contributions to the project will receive no more than 8 points for this Element, subject to the Notation below regarding legislative preferences.

In this section the applicant should identify those additional resources, cash and in-kind, which will be dedicated to support of those activities and interventions identified in sub-Element II(b), such as training, counseling, and crisis intervention; and any staff activities described in Element III. Such resources may be existing programs of the applicant or a project partner, such as Family Development, Literacy classes, or Small Business Training, in which Project Participants will be enrolled as part of their efforts to achieve self-sufficiency. This Element will be judged in the review process on the adequacy of the mobilized resources to support the activities and interventions described in sub-Element II(b). The commitment of such resources to the project must be documented in writing and submitted as an Appendix to the Application. Because such additional resources are not part of the legislatively mandated non-Federal matching requirement, these additional resources may be of Federal or non-Federal origin, public or private, in cash or in-kind. Applicants are reminded that they will be held accountable for commitments of such additional resources even if over the amount of the required match.

Note: In accordance with the legislative preferences set forth in Part III Section J,

above, the maximum score for this Element, in the review of applications under Priority Area 1.0 only, will only be given to applications which provide a commitment of required non-Federal cash matching contributions with a proportionately greater amount of such funds committed from private sector as opposed to public sources. This preference will be valued at 2 points in the proposal review, so that the absence of such a commitment will reduce the review score for the Element by 2 points.

It is suggested that no more than 3 pages be used for this Element, not including any letters of commitment or partnership agreements, which should be put in an Appendix to the proposal.

Element V. Results or Benefits Expected: Significant and Beneficial Impacts. (Weight of 0-10 Points)

The proposed project is expected to produce permanent and measurable results that will reduce the incidence of poverty in the community and lead TANF recipients and other eligible individuals and families toward economic self-sufficiency. Results are expected to be quantifiable in terms of the number of Individual Development Accounts opened, their rate of growth, the number and size of withdrawals for each of the three qualified expenses, and the impact of the payment of those expenses on the participants' movement toward self-sufficiency.

Applicants should set forth their realistic goals and projections for attainment of these and other beneficial impacts of the proposed project.

Critical issues or potential problems that might affect the achievement of project objectives should be explicitly addressed, with an explanation of how they would be overcome, and how the objectives will be achieved notwithstanding any such problems.

It is suggested that no more than 3 pages be used for this Element.

D. Proposal Elements and Review Criteria for Application Under Priority Area 2.0.

Applications under Priority area 2.0 will be reviewed by OCS staff for their satisfactory adherence to the following criteria. These criteria will be considered thresholds for eligible State Applicants to receive grants and participate in the IDA Program. Consequently, rather than a rating score in points, reviewers will rate the Applications as having met the criterion satisfactorily or not. To be recommended for funding Applications under Priority Area 2.0 must satisfactorily meet all of the following criteria:

Element I: Sufficiency of the Project

Applicants should describe the project to be carried out, including participant recruitment, criteria for participant selection, the rate(s) by which participant savings will be matched, the role of the State and local project administrators in providing training, counseling, and other types of support to participants designed to help them achieve economic self-sufficiency. The Application will be reviewed on the degree to which the project described in the application appears likely to aid project participants in achieving economic self-sufficiency through activities requiring one or more qualified expenses.

Element II: Administrative Ability

The Application will be reviewed on the experience and ability of the applicant to responsibly administer the project. The application should describe how the applicant proposes to administer the project, what collaboration exists or is proposed with financial institutions for management of Individual Development Accounts, and the type of agreement reached with Project Participants with regard to planned savings and the goal or goals to be pursued in achieving one or more the Qualified Expenses. The Application should include a statement that the accounting procedures to be followed in account management will conform to Guidelines established by the Secretary (which will be issued prior to grant awards and made available to grantees at time of the award), and that any partnering financial institution agrees to provide data and reports as requested by the applicant.

Element III: Ability to Assist Participants

The application should document the experience and ability of the applicant in recruiting, educating, and assisting project participants to increase their economic independence and general well-being through the development of assets.

Element IV: Commitment of Non-Federal Funds

The aggregate amount of direct funds from non-federal public sector and from private sources that are formally committed to the project as matching contributions to Individual Development Accounts. The application must contain documentation of commitment of non-Federal matching cash contribution to the project in an amount equal to the grant requested, which will be available to the project during the Budget Period of the grant.

Element V: Adequacy of Plan for Providing Information for Evaluation

The adequacy of the plan for providing information relevant to an evaluation of the project. Applications that include a statement that the applicant agrees to use the "MIS IDA" information system software developed by the Center for Social Development, or a *comparable and compatible system*, for the maintenance, collection, and transmission of data from the proposed project will be deemed to have satisfactorily met this Criterion.

D. Funding Reconsideration

After Federal funds are exhausted for this grant competition, applications which have been independently reviewed and ranked but have no final disposition (neither approved nor disapproved for funding) may again be considered for funding. Reconsideration may occur at any time funds become available within twelve (12) months following ranking. ACF does not select from multiple ranking lists for a program. Therefore, should a new competition based on the same review criteria be scheduled and applications remain ranked without final disposition, such applications will be entered into the rank order list for the new competition in accordance with their previous score. At the same time, such applicants will be informed of their opportunity instead to reapply for the new competition, if they so choose, and to the extent practical, in which case the previous application will be disregarded.

Part IV. Application Procedures

A. Application Development/Availability of Forms

In order to be considered for a grant under this program announcement, an application must conform to the Program Requirements set out in Part II and be prepared in accordance with the guidelines set out in Part III, above. It must be submitted on the forms supplied in the attachments to this Announcement and in the manner prescribed below. Attachments A through I contain all of the standard forms necessary for the application for awards under this OCS program. These attachments and Parts IV and V of this Announcement contain all the instructions required for submittal of applications.

Additional copies may be obtained by writing or telephoning the office listed under the section entitled **FOR FURTHER INFORMATION CONTACT** at the beginning of this announcement. In addition, this Announcement is accessible on the

Internet through the OCS WEBSITE for reading or downloading at "http://www.acf.dhhs.gov/programs/ocs" under "funding opportunities".

The applicant must be aware that in signing and submitting the application for this award, it is certifying that it will comply with the Federal requirements concerning the drug-free workplace, debarment regulations and the Certification Regarding Environmental Tobacco Smoke, set forth in Attachments G, I and H.

PART III contains instructions for the substance and development of the project narrative. PART V contains instructions for completing application forms. PART VI, Section A describes the contents and format of the application as a whole.

B. Application Submission

(1) Number of Copies Required. One signed original application and four copies should be submitted at the time of initial submission. (OMB 0970-0139)

(2) Deadline. Mailed applications shall be considered as meeting the announced deadline of April 27, 1999 if they are either received on or before the deadline date or postmarked on or before the deadline date and received by ACF in time for the independent review. Mailed applications must be sent to: U.S. Department of Health and Human Services, Administration for Children and Families, Office of grants Management, Office of Child Support Enforcement, "Attention: IDA Program", 370 L'Enfant Promenade, S.W., Washington, D.C. 20447.

Applicants must ensure that a legibly dated U.S. Postal Service postmark or a legibly dated machine produced postmark of a commercial mail service is affixed to the envelope/package containing the application(s). To be acceptable as proof of timely mailing, a postmark from a commercial mail service must include the logo/emblem of the commercial mail service company and must reflect the date the package was received by the commercial mail service company from the applicant. Private Metered postmarks shall not be acceptable as proof of timely mailing.

Applications handcarried by applicants, applicant couriers, overnight/express delivery services, or by other representatives of the applicant shall be considered as meeting an announced deadline if they are received on or before the deadline date, between the hours of 8:00 a.m. and 4:30 p.m., EST, at the U.S. Department of Health and Human Services, Administration for Children and Families, Office of grants Management, Office of Child Support Enforcement, Mailroom, 2nd Floor (near

loading dock), Aerospace Center, 901 D Street, S.W., Washington, D.C. 20024, between Monday and Friday (excluding Federal holidays). The address must appear on the envelope/package containing the application with the note "Attention: IDA Program". (Applicants are cautioned that express/overnight mail services do not always deliver as agreed.)

ACF cannot accommodate transmission of applications by fax or through other electronic media. Therefore, applications transmitted to ACF electronically will not be accepted regardless of date or time of submission and time of receipt.

(3) Late applications. Applications which do not meet the criteria above are considered late applications. ACF shall notify each late applicant that its application will not be considered in the current competition.

(4) Extension of deadlines. ACF may extend an application deadline when circumstances such as acts of God (floods, hurricanes, etc.) occur, or when there are widespread disruption of the mail service, or in other rare cases. Determinations to extend or waive deadline requirements rest with ACF's Chief Grants Management Officer.

C. Intergovernmental Review

This program is covered under Executive Order 12372, "Intergovernmental Review of Federal Programs," and 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Programs and Activities." Under the Order, States may design their own processes for reviewing and commenting on proposed Federal assistance under covered programs.

NOTE: STATE/TERRITORY PARTICIPATION IN THE INTERGOVERNMENTAL REVIEW PROCESS DOES NOT SIGNIFY APPLICANT ELIGIBILITY FOR FINANCIAL ASSISTANCE UNDER A PROGRAM. A POTENTIAL APPLICANT MUST MEET THE ELIGIBILITY REQUIREMENTS OF THE PROGRAM FOR WHICH IT IS APPLYING PRIOR TO SUBMITTING AN APPLICATION TO ITS SPOC, IF APPLICABLE, OR TO ACF.

Attachment J is a Single Point of Contact List for participating jurisdictions. The following jurisdictions have elected not to participate in the Executive Order process: Alabama, Alaska, American Samoa, Colorado, Connecticut, Kansas, Hawaii, Idaho, Louisiana, Massachusetts, Minnesota, Montana, Nebraska, New Jersey, Oklahoma, Oregon, Palau, Pennsylvania, South Dakota, Tennessee, Vermont, Virginia, and Washington. Applicants from these

jurisdictions, for projects administered by federally recognized Indian Tribes, or which are States (under Priority Area 2.0) need take no action in regard to E.O. 12372. All remaining jurisdictions participate in the Executive Order process and have established SPOCs. Applicants from participating jurisdictions should contact their SPOCs as soon as possible to alert them of the prospective applications and receive instructions. Applicants must submit any required material to the SPOCs as soon as possible so that the program office can obtain and review SPOC comments as part of the award process. The applicant must submit all required materials, if any, to the SPOC and indicate the date of this submittal (or the date of contact if no submittal is required) on the Standard Form 424, item 16a. Under 45 CFR 100.8(a)(2), a SPOC has 60 days from the application deadline to comment on proposed awards. SPOCs are encouraged to eliminate the submission of routine endorsements as official recommendations. Additionally, SPOCs are requested to clearly differentiate between mere advisory comments and those official State process recommendations which may trigger the "accommodate or explain" rule. When comments are submitted directly to ACF, they should be addressed to: Department of Health and Human Services, Administration for Children and Families, Office of Grants Management, Office of Child Support Enforcement, 370 L'Enfant Promenade, S.W., Mail Stop 6C-462, Washington, D.C. 20447.

D. Initial OCS Screening

Each application submitted under this program announcement will undergo a pre-review to determine that the application was postmarked by the closing date and submitted in accordance with the instructions in this announcement.

All applications that meet the published deadline requirements as provided in this Program Announcement will be screened for completeness and conformity with the following requirements. Only complete applications that meet the requirements listed below will be reviewed and evaluated competitively. Other applications will be returned to the applicants with a notation that they were unacceptable and will not be reviewed.

The following requirements must be met by all applicants except as noted:

(1) The application must contain a Standard Form 424 "Application for Federal Assistance" (SF-424), a budget

(SF-424A), and signed "Assurances" (SF 424B) completed according to instructions published in Part V and Attachments A, B, and C of this Program Announcement.

(2) A project narrative must also accompany the standard forms. OCS requires that the narrative portion of the application be limited to 30 pages, typewritten on one side of the paper only with one-inch margins and type face no smaller than 12 characters per inch (cpi) or equivalent. The Budget Narrative, Charts, exhibits, resumes, position descriptions, letters of support or commitment, Agreements with partnering organizations, and Business Plans (where required) are not counted against this page limit. IT IS STRONGLY RECOMMENDED THAT APPLICANTS FOLLOW THE FORMAT AND CONTENT FOR THE NARRATIVE DESCRIBED IN THE PROGRAM ELEMENTS SET OUT IN PART III.

(3) The SF-424 and the SF-424B must be signed by an official of the organization applying for the grant who has authority to obligate the organization legally. Applicants must also be aware that the applicant's legal name as required on the SF-424 (Item 5) must match that listed as corresponding to the Employer Identification Number (Item 6).

(4) In the case of applications under Priority Area 1.0 only, application must contain documentation of the applicant's tax exempt status as required under Part II, Section A.

(5) In the case of Application under Priority Area 1.0 only, the Application must include a copy of a "Non-Federal Share Agreement" or Agreements in writing executed with the entity or entities providing the required non-Federal matching contributions, on letterhead of the entity and signed by a person authorized to make a commitment on behalf of the entity. Such Agreement(s) must include: (1) a commitment to provide the non-Federal funds contingent only on the grant award; (2) a schedule of deposits to the project's Reserve Fund of at least ten percent of the total committed for the entire project at the start of each of the five Project Years, plus any additional amounts needed to assure that there is at least \$2000 of non-Federal matching contribution funds in the Reserve Fund for each Individual Development Account that as been opened; and (3) a statement that up to 9.5 percent of the required non-Federal matching contribution funds it provides may be allocated from the Reserve Fund to the support of project administration, Participant support, data collection or other project-related expenses. (See

PART II Sections G(1)(b) and I.) Grantees are encouraged to mobilize additional resources, which may be cash or in-kind contributions, Federal or non-Federal, for support of project administration and assistance to Project Participants in obtaining skills, knowledge, and needed support services. (See PART III, Element IV.)

Note: If a grantee mobilizes matching non-Federal contributions in excess of the required 100 percent match, such non-Federal funds may be used however the grantee and provider of the funds may agree.

(See also PART II, Section J.)

(6) In the case of Application under Priority Area 1.0 only, the Application must include a copy of an Agreement between the Applicant and one or more Qualified Financial Institution(s), which states that the accounting procedures to be followed in account management will conform to Guidelines established by the Secretary (which will be issued prior to grant awards and provided to grantees at time of award), and under which the partnering financial institution will agree to provide data and reports as requested by the applicant.

E. Consideration of Applications under Priority Area 1.0

Applications which pass the initial OCS screening will be reviewed and rated by an independent review panel on the basis of the specific review criteria described in Part III, above. The review criteria were designed to assess the quality of a proposed project, and to determine the likelihood of its success. The evaluation criteria are closely related and are considered as a whole in judging the overall quality of an application. Points are awarded only to applications which are responsive to the review criteria within the context of this program announcement. The results of these reviews will assist the Director and OCS program staff in considering competing applications. Reviewers' scores will weigh heavily in funding decisions, but will not be the only factors considered.

Applications generally will be considered in order of the average scores assigned by reviewers. However, highly ranked applications are not guaranteed funding since other factors are taken into consideration, including, but not limited to, the timely and proper completion of projects funded with OCS funds granted in the last five (5) years; comments of reviewers and government officials; staff evaluation and input; the amount and duration of the grant requested and the proposed project's consistency and harmony with OCS

goals and policy; geographic distribution of applications; previous program performance of applicants; compliance with grant terms under previous HHS grants, including the actual dedication to program of mobilized resources as set forth in project applications; audit reports; investigative reports; and applicant's progress in resolving any final audit disallowances on previous OCS or other Federal agency grants.

Since non-Federal reviewers will be used for review of applications under Priority Area 1.0, applicants may omit from the application copies (under Priority Area 1.0 only) which will be made available to the non-Federal reviewers, the specific salary rates or amounts for individuals identified in the application budget. Rather, only summary information is required.

OCS reserves the right to discuss applications with other Federal or non-Federal funding sources to verify the applicant's performance record and the documents submitted.

F. Consideration of Applications under Priority Area 2.0

Applications under Priority Area 2.0 will be reviewed by OCS staff for eligibility under the criteria set out in PART II, Section B, and for compliance with the threshold criteria listed in PART III, Section D. Those meeting the criteria will be recommended for funding to the Director of OCS for his consideration.

Part V. Instructions for Completing Application Forms

The standard forms attached to this announcement shall be used to apply for funds under this program announcement.

It is suggested that you reproduce single-sided copies of the SF-424 and SF-424A, and type your application on the copies. Please prepare your application in accordance with instructions provided on the forms (Attachments A and B) as modified by the OCS specific instructions set forth below:

Provide line item detail and detailed calculations for each budget object class identified on the Budget Information form. Detailed calculations must include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated. The detailed budget must also include a breakout by the funding sources identified in Block 15 of the SF-424.

Provide a narrative budget justification which describes how the categorical costs are derived. Discuss

the necessity, reasonableness, and allocability of the proposed costs.

Item 15a. This amount should be no greater than \$500,000 for applications under Priority Area 1.0; no greater than \$1,000,000 for applications under Priority Area 2.0.

Item 15b–e. These items should reflect both cash and third-party, in-kind contributions for the Project Period.

B. SF-424A—Budget Information—Non-Construction Programs

(Attachment B)

In completing these sections, the Federal Funds budget entries will relate to the requested OCS funds only, and Non-Federal will include mobilized funds from all other sources—applicant, state, local, and other. Federal funds other than requested OCS funding should be included in Non-Federal entries.

Sections A, B, and C of SF-424A should reflect budget estimates for each year of the Project Period.

Section A—Budget Summary

You need only fill in lines 1 and 5 (with the same amounts):

Col. (a): Enter "IDA Program" as Item number 1. (Items 2, 3, 4, and 5 should be left blank.)

Col.(b): Catalog of Federal Domestic Assistance number is 93.602. Col.

(c) and (d): not relevant to this program.

Column (e)–(g): enter the appropriate amounts in items 1. and 5. (Totals) Column e should not be more than \$500,000 for applications under Priority Area 1.0; or more than \$1,000,000 for applications under Priority Area 2.0 (although as noted in Part II grants are expected to be of approximately \$930,000); and in no case can it be more than the committed non-Federal matching cash contribution.

Section B—Budget Categories

(Note that the following information supersedes the instructions provided with the Form in Attachment C)

Columns (1)–(5): For each of the relevant Object Class Categories:

Column 1: Enter the OCS grant funds for the full 5-year budget period. With regard to Class Categories, at least 90.5 percent of OCS grant funds should be entered in "h. Other", representing the funds to be deposited in the Reserve Fund. At least 2 percent of OCS grant funds, for data collection, should be entered under "Other", "Contractual", and/or "Personnel" as appropriate. Up to 7.5 percent of OCS grant funds, which may be for project administration and support, should be entered in Class Categories as appropriate.

Columns 2, 3 and 4 are not relevant to this program.

Column 5: Enter the total federal OCS grant funds for the five year budget by Class Categories, showing a total of not more than \$500,000 (or \$1,000,000 Priority Area 2.0).

Note: Only out-of-town travel should be entered under Category c. Travel. Local travel costs should be entered under Category h. Other. Costs of supplies should be included under Category e. "Supplies" is tangible personal property other than "equipment". "Equipment" means an article of nonexpendable, tangible personal property having a useful life of more than one year and an acquisition cost which equals or exceeds the lesser of (a) the capitalization level established by the organization for financial statement purposes, or (b) \$5,000. Articles costing less should be included in "Supplies".

Section C—Non Federal Resources

This section is to record the amounts of "non-Federal" resources that will be used to support the project. In this context, "Non-Federal" resources mean other than the OCS funds for which the applicant is applying. Therefore, mobilized funds from other Federal programs, such as the Job Training Partnership Act program or the Welfare-to-Work program, should be entered on these lines. Provide a brief listing of these "non-Federal" resources on a separate sheet and describe whether it is a grantee-incurred cost or a third-party cash or in-kind contribution. The firm commitment of these resources must be documented and submitted with the application in order to be given credit in the review process under the Non-Federal Resources program element.

(Note: Even though non-Federal resources mobilized may go beyond the amount required as match under the IDA Program, grantees will be held accountable for any such cash or in-kind contribution proposed or pledged as part of an approved application. (See PART II, Section I. and PART III, Element IV.)

Sections D, E, and F may be left blank by Applicants under Priority Area 1.0. State Applicants under Priority Area 2.0 must complete Section E. Estimates of OCS funds needed for the subsequent four years of the five-year Project Period (not to exceed \$1,000,000 per year) should be entered on line 16 under columns (b), (c), (d), and (e).

As noted in Part VI, a supporting Budget Justification must be submitted providing details of expenditures under each budget category, with justification of dollar amounts which relate the proposed expenditures to the work program and goals of the project.

C. SF-424B Assurances: Non-Construction Programs

Applicants requesting financial assistance for a non construction project must file the Standard Form 424B, "Assurances: Non-Construction Programs." (Attachment C) Applicants must sign and return the Standard Form 424B with their applications.

Applicants must provide a certification concerning Lobbying. Prior to receiving an award in excess of \$100,000, applicants shall furnish an executed copy of the lobbying certification. (See Attachments D and E) Applicants must sign and return the certification with their applications. Applicants should note that the Lobbying Disclosure Act of 1995 has simplified the lobbying information required to be disclosed under 31 USC 1352.

Applicants must make the appropriate certification on their compliance with the Drug-Free Workplace Act of 1988 and the Pro-Children Act of 1994 (Certification Regarding Smoke Free Environment). (See Attachments G and H) By signing and submitting the applications, applicants are attesting to their intent to comply with these requirements and need not mail back the certification with the applications.

Applicants must make the appropriate certification that they are not presently debarred, suspended or otherwise ineligible for award. (See Attachment I) By signing and submitting the applications, applicants are providing the certification and need not mail back the certification with the applications. Copies of the certifications and assurances are located at the end of this announcement.

Part VI. Contents of Application and Receipt Process

Application pages should be numbered sequentially throughout the application package, beginning with an Abstract of the proposed project as page number one; and each application must include all of the following, in the order listed below:

A. Content and Order of IDA Program Application

1. Table of Contents;
2. An Abstract of the project—very brief, not to exceed 300 words, that would be suitable for use in an announcement that the application has been selected for a grant award; which identifies the type of project(s), the target population, the applicant, partners, and the major elements of the work plan.
3. A completed Standard Form 424 (Attachment A) which has been signed by an official of the organization applying for the grant who has authority to obligate the organization legally; [Note: The original SF-424 must bear the original signature of the authorizing representative of the applicant organization];

7. A project narrative, limited to the number of pages specified below, which includes all of the required elements

described in Part III. [Specific information/data required under each component is described in Part III Sections C and D, Application Elements and Review Criteria.]

- j. single points of contact comments, if applicable.

Applications must be uniform in composition since OCS may find it necessary to duplicate them for review purposes. Therefore, applications must be submitted on white 8-1/2 x 11 inch paper only. They must not include colored, oversized or folded materials. Do not include organizational brochures or other promotional materials, slides, films, clips, etc. in the proposal. They will be discarded if included. The applications should be two-hole punched at the top center and fastened separately with a compressor slide paper fastener, or a binder clip. The submission of bound plans, or plans enclosed in binders is specifically discouraged.

B. Acknowledgement of Receipt

Acknowledgment of Receipt—All applicants will receive an acknowledgement with an assigned identification number. Applicants are requested to supply a self-addressed mailing label with their Application, or a FAX number or e-mail address which can be used for acknowledgement. The

assigned identification number, along with any other identifying codes, must be referenced in all subsequent communications concerning the Application. If an acknowledgement is not received within three weeks after the deadline date, please notify ACF by telephone at (202) 205-5082.

Part VII. Post Award Information and Reporting Requirements

A. Notification of Grant Award

Following approval of the applications selected for funding, notice of project approval and authority to draw down project funds will be made in writing. The official award document is the Financial Assistance Award which provides the amount of Federal funds approved for use in the project, the project and budget period for which support is provided, the terms and conditions of the award, and the total project period for which support is contemplated.

B. Attendance at Evaluation Workshops

OCS hopes to sponsor one or more national evaluation workshops in Washington, D.C. or in other locations during the course of the five-year project. Project Directors will be expected to attend such workshops provided funds can be made available by OCS for expenses of attending.

C. Reporting Requirements

Grantees will be required to submit a semi-annual program progress and financial report (SF 269) covering the six months after grant award, and similar reports after conclusion of the first Project Year. Such reports will be due 60 days after the reporting period. Thereafter grantees will be required to submit annual program progress and financial reports (SF 269), as well as a final program progress and financial report within 90 days of the expiration of the grant.

D. Audit Requirements

Grantees are subject to the audit requirements in 45 CFR Parts 74 (non-profit organization) and OMB Circular A-133.

E. Prohibitions and Requirements With Regard to Lobbying

Section 319 of Public Law 101-121, signed into law on October 23, 1989, imposes prohibitions and requirements for disclosure and certification related to lobbying on recipients of Federal contracts, grants, cooperative agreements, and loans. It provides limited exemptions for Indian tribes and tribal organizations. Current and prospective recipients (and their subtier

contractors and/or grantees) are prohibited from using appropriated funds for lobbying Congress or any Federal agency in connection with the award of a contract, grant, cooperative agreement or loan. In addition, for each award action in excess of \$100,000 (or \$150,000 for loans) the law requires recipients and their subtier contractors and/or subgrantees (1) to certify that they have neither used nor will use any appropriated funds for payment to lobbyists, (2) to submit a declaration setting forth whether payments to lobbyists have been or will be made out

of non-appropriated funds and, if so, the name, address, payment details, and purpose of any agreements with such lobbyists whom recipients or their subtier contractors or subgrantees will pay with the non-appropriated funds and (3) to file quarterly up-dates about the use of lobbyists if an event occurs that materially affects the accuracy of the information submitted by way of declaration and certification.

The law establishes civil penalties for noncompliance and is effective with respect to contracts, grants, cooperative agreements and loans entered into or

made on or after December 23, 1989. See Attachment H, for certification and disclosure forms to be submitted with the applications for this program.

F. Applicable Federal Regulations

Attachment K indicates the regulations which apply to all applicants/grantees under the Assets for Independence Demonstration Program.

Dated: January 22, 1999.

INSTRUCTIONS FOR THE SF-424A

Public reporting burden for this collection of information is estimated to average 180 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0044), Washington, DC 20503.

Please do not return your completed form to the office of Management and Budget. Send it to the address provided by the sponsoring agency.

General Instructions

This form is designed so that application can be made for funds from one or more grant programs. In preparing the budget, adhere to any existing Federal grantor agency guidelines which prescribe how and whether budgeted amounts should be separately shown for different functions or activities within the program. For some programs, grantor agencies may require budgets to be separately shown by function or activity. For other programs, grantor agencies may require a breakdown by function or activity. Sections A, B, C, and D should include budget estimates for the whole project except when apply for assistance which requires Federal authorization in annual or other funding period increments. In the latter case, Sections A, B, C, and D should provide the budget for the first budget period (usually a year) and Section E should present the need for Federal assistance in the subsequent budget periods. All applications should contain a breakdown by the object class categories shown in Lines a-k of Section B.

Section A. Budget Summary Liens 1-4

Columns (a) and (b)

For applications pertaining to a *single* Federal grant program (Federal Domestic Assistance Catalog number) and *not requiring* a functional or activity breakdown, enter on Line 1 under Column (a) the Catalog program title and the Catalog number in Column (b).

For applications pertaining to a *single* program *requiring* budget amounts by multiple functions or activities, enter the name of each activity or function on each line in Column (a), and enter the Catalog number in Column (b). For applications pertaining to multiple programs where none of the programs require a breakdown by function or activity, enter the Catalog program title on each line in Column (a) and the respective Catalog number on each line in Column (b).

For applications pertaining to multiple programs where one or more programs require a breakdown by function or activity, prepare a separate sheet for each program requiring the breakdown. Additional sheets should be used when one form does not provide adequate space for all breakdown of data required. However, when more than one sheet is used, the first page should provide the summary totals by programs.

Lines 1-4, Columns (c) through (g)

For *new applications*, leave Column (c) and (d) blank. For each line entry in Columns (a) and (b), enter in Columns (e), (f), and (g) the appropriate amounts of funds needed to support the project for the first funding period (usually a year).

For *continuing grant program applications*, submit these forms before the end of each funding period as required by the grantor agency. Enter in Columns (c) and (d) the estimated amounts of funds which will remain unobligated at the end of the grant funding period only if the Federal grantor agency instructions provide for this. Otherwise, leave these columns blank. Enter in columns (e) and (f) the amounts of funds needed for the upcoming period. The amount(s) in Column (g) should be the sum of amounts in Columns (e) and (f).

For *supplemental grants and changes*, to existing grants, do not use Columns (c) and (d). Enter in Column (e) the amount of the increase or decrease of Federal funds and enter in Column (f) the amount of the increase or decrease of non-Federal funds. In Column (g) enter the new total budgeted amount (federal and non-Federal) which includes the total previous authorized budgeted amounts plus or minus, as appropriate, the amounts shown in Columns (e) and (f). The amount(s) in Column (g) should not equal the sum of amounts in Columns (e) and (f).

Line 5—Show the totals for all columns used.

Section B. Budget Categories

In the column headings (1) through (4), enter the titles of the same programs, functions, and activities shown on Lines 1-4, Column (a), Section A. When additional sheets are prepared for Section A, provide similar column headings on each sheet. For each program, function or activity, fill in the total requirements for funds (both Federal and non-Federal) by object class categories.

Line 6a-i—Show the totals of Lines 6a to 6h in each column.

Line 6j—Show the amount of indirect cost.

Line 6k—Enter the total of amounts on Lines 6i and 6j. For all applications for new grants and continuation grants the total amount in column (5), Line 6k, should be the same as the total amount shown in Section A, Column (g), Line 5. For supplemental grants and changes to grants, the total amount of the increase or decrease as shown in Columns (1)-(4), Line 6k should be the same as the sum of the amounts in Section A, Columns (e) and (f) on Line 5.

Line 7—Enter the estimated amount of income, if any, expected to be generated from this project. Do not add or subtract this amount from the total project amount. Show under the program narrative statement the narrative statement the nature and source of income. The estimated amount of program income may be considered by the Federal grantor agency in determining the total amount of the grant.

Section C. Non-Federal Resources

Lines 8-11—Enter amounts of non-Federal resources that will be used on the grant. If in-kind contributions are included, provide a brief explanation on a separate sheet.

Column (a)—Enter the program titles identical to Column (a), Section A. A breakdown by function or activity is not necessary.

Attachment G—Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW., Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement;

consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals).

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about—

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will—

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through

implementation of paragraphs (a), (b), (c), (d), (e) and (f).

(B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant:

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
