**Summit Hydropower; Notice Modifying
and Establishing a Restricted Service
List for Comments on a Programmatic
Agreement for Managing Properties
Included in or Eligible for Inclusion in
the National Register of Historic Places**

January 22, 1999.

On September 8, 1998, the Commission issued a notice for Project No. 11282 proposing to establish a restricted service list for the purpose of developing and executing a programmatic agreement for managing properties included in or eligible for inclusion in the National Register of Historic Places.

The existing project features—Scituate Reservoir, Gainer Dam, generating unit, powerhouse, meter chamber, and appurtenant structures—are owned by the Providence Water Supply Board. Construction, operation, and maintenance of the proposed project would directly affect all of these features.

Rule 2010 of the Commission's Rules of Practice and Procedure provides that, to eliminate unnecessary expense or improve administrative efficiency, the Secretary may establish a restricted service list for a particular phase or issue in a proceeding.¹ The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

The following addition is made to the proposed restricted service list notice issued on September 8, 1998, for Project No. 11282: Providence Water Supply Board, 552 Academy Avenue, Providence, RI 02908.

Any person on the official service list for the above-captioned proceedings may request inclusion on the restricted service list, or may request that a restricted service list not be established, by filing a motion to that effect within 15 days of this notice date. An original and 8 copies of any such motion must be filed with the Secretary of the Commission (888 First Street, NE, Washington, DC 20426) and must be served on each person whose name appears on the official service list. If no such motions are filed, the restricted service list will be effective at the end

of the 15-day period. Otherwise, a further notice will be issued ruling on the motion.

David P. Boergers,

Secretary.
