[Docket No. RP99-203-000]

**Williams Gas Pipelines Central, Inc.; Notice of Proposed Changes in FERC Gas Tariff**

January 22, 1999.

Take notice that on January 19, 1999, Williams Gas Pipelines Central, Inc. (Williams), tendered for filing to become part of its FERC Gas Tariff, Original Volume No. 1, the following tariff sheet, with the proposed effective date of February 19, 1999:

First Revised Sheet No. 255

Williams states that this filing is being made in accordance with Section 154.204 of the Commission's regulations. Williams is proposing in this filing to eliminate the use of paper service agreements for temporary releases of capacity. The elimination of paper service agreements is being done at the request of customers and will reduce costs and provide efficiencies to both Williams and its customers. Paper service agreements will be required when the release is for the entire remaining term of all or a portion of the Releasing Shipper's capacity on Williams' system.

Williams states that a copy of its filing was served on all of Williams' jurisdictional customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
