[Docket No. ER99-1079-000]

#### California Power Exchange Corporation; Notice of Filing

January 25, 1999.

Take notice that on January 13, 1999, California Power Exchange Corporation (PX), tendered for filing Amendment No. 7, to the PX FERC Electric Service Tariff in the above-referenced Docket.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions and protests should be filed on or before February 4, 1999. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

### Federal Energy Regulatory Commission

[Docket No. CP99-167-000]

#### Florida Gas Transmission Company; Notice of Request Under Blanket Authorization

January 26, 1999.

Take notice that on January 20, 1999, Florida Gas Transmission Company (Florida Gas), P.O. Box 1188, Houston, Texas 77252-1188, filed a prior notice request with the Commission in Docket

No. CP99-167-000 pursuant to Section 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to operate an existing delivery point in East Baton Rouge Parish, Louisiana, originally installed under Section 311 of the Natural Gas Policy Act of 1978, as a jurisdictional facility under Florida Gas' blanket certificate issued in Docket No. CP82-553-000 pursuant to Section 7 of the NGA, all as more fully set forth in the request which is open to the public for inspection.

Florida Gas proposes to operate the existing delivery point located near mile post 552.2 on its 24-inch mainline in East Baton Rouge Parish as a delivery point for natural gas transportation services under Subpart G of Part 284 of the Commission's Regulations. Florida Gas states that it placed the delivery point in service for transportation services under Subpart B of Part 284 of the Regulations on January 1, 1999, to serve Exxon Corporation (Exxon), on behalf of Mid-Louisiana Gas Transmission Company, an intrastate pipeline. Florida Gas further states that it would deliver up to 67,000 MMBtu equivalent of natural gas per day and up to 24,455,000 MMBtu equivalent of natural gas yearly on an interruptible basis to satisfy Exxon's primarily industrial fuel requirements. Florida Gas states that the delivery point consists of approximately 75 feet of 8-inch diameter connecting pipe and other minor appurtenant facilities.

Florida Gas states that it has sufficient capacity to accomplish the deliveries of the requested gas volumes without detriment or disadvantage to Florida Gas' other existing customers and that Florida Gas' FERC Gas Tariff does not prohibit the addition of new delivery points.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an

application for authorization pursuant to section 7 of the NGA.

### Federal Energy Regulatory Commission

[Docket No. DG99-37-000]

#### FPL Energy Wyman LLC; Notice of Supplement to Application for Commission Determination of Exempt Wholesale Generator Status

January 26, 1999.

Take notice that on January 26, 1999, FPL Energy Wyman LLC, 700 Universe Blvd., Juno Beach, Florida 33408, filed with the Federal Energy Regulatory Commission a supplement to an Application for Determination of Exempt Wholesale Generator Status pursuant to Part 365 of the Commission's regulations.

FPL Energy Wyman LLC, a Delaware limited liability company, proposes to own and operate the W.F. Wyman Station, Units 1, 2 and 3, located in Yarmouth, Maine. The units are being purchased from Central Maine Power Company. FPL Energy Wyman LLC filed its application for EWG status on December 11, 1998. It is supplementing that application for the limited purpose of providing additional discussion regarding incidental activities that are in proximity to the plant site.

Any person desiring to be heard concerning the supplemented Application for Exempt Wholesale Generator Status should file a motion to intervene or comments with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the supplemented application. All such motions and comments should be filed on or before February 3, 1999, and must be served on the applicant. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
