Announcement of Opportunity: EMPACT Grants

AGENCY: Environmental Protection Agency.

ACTION: Notice of request for applications.

SUMMARY: This document provides information on the availability of the 1999 investigator-initiated grants program announcement of opportunity on Environmental Monitoring for Public Access and Community Tracking (EMPACT). The areas of interest, eligibility and submission requirements, evaluation criteria, and implementation schedules are set forth. Grants will be competitively awarded following peer review.

DATES: The deadline for receipt of applications is April 8, 1999.

FOR FURTHER INFORMATION CONTACT: U.S. Environmental Protection Agency, National Center for Environmental Research and Quality Assurance (8703R), 401 M Street SW, Washington DC 20460, telephone (800) 490-9194.

The complete announcement of opportunity can be accessed on the Internet from the EPA home page: <http://www.epa.gov/empact>.

SUPPLEMENTARY INFORMATION: In its Announcement of Opportunity the U.S. Environmental Protection Agency (EPA) invites grant applications from partnerships between local and state governments, research institutions, non-governmental organizations (NGOs), the private sector, and/or the federal government. The goal of EMPACT is to assist communities to provide sustainable public access to environmental monitoring data and information that are clearly-communicated, time-relevant, useful, and accurate in the largest U.S. metropolitan areas. Applications must be received by April 8, 1999. The full

Announcement provides relevant background information, summarize EPA's interest in the topic area, and describe the application and review process.
