SUPPLEMENTARY INFORMATION:

Background.—On December 2, 1986,
the Department of Commerce issued
antidumping duty orders on imports of
porcelain-on-steel cooking ware from
China, Mexico, and Taiwan (51 FR
43414). On December 12, 1986, the
Department of Commerce issued a
countervailing duty order on imports of
porcelain-on-steel cooking ware from
Mexico (51 FR 44827). On January 20,
1987, the Department of Commerce
issued antidumping and countervailing
duty orders on imports of top-of-the-
stove stainless steel cooking ware from
Korea and Taiwan (52 FR 2138). The
Commission is conducting reviews to
determine whether revocation of the
orders would be likely to lead to
continuation or recurrence of material
injury to the domestic industry within
a reasonably foreseeable time.

Definitions.—The following
definitions apply to these reviews:

(1) Subject Merchandise is the class or
kind of merchandise that is within the
scope of the five-year reviews, as
defined by the Department of
Commerce.

(2) The Subject Countries in these
reviews are China, Korea, Mexico, and
Taiwan.

(3) The Domestic Like Product is the
domestically produced product or
products which are like, or in the
absence of like, most similar in
characteristics and uses with, the
Subject Merchandise. In its original
determinations concerning porcelain-
on-steel cooking ware from China,
Mexico, and Taiwan, the Commission
defined the Domestic Like Product as all
porcelain-on-steel cooking ware,
including teakettles. One Commissioner
defined the Domestic Like Product
differently in the original antidumping
and countervailing duty determinations
concerning porcelain-on-steel cooking
ware from China, Mexico, and Taiwan.

In the original antidumping and
countervailing duty determinations
concerning top-of-the-stove stainless
steel cooking ware from Korea and
Taiwan, the Commission defined the
Domestic Like Product to correspond
with the Subject Merchandise, that is,
all top-of-the-stove stainless steel
cooking ware, excluding teakettles,
ovenware, and kitchen ware.

(4) The Domestic Industry is the U.S.
producers as a whole of the Domestic
Like Product, or those producers whose
collective output of the Domestic Like
Product constitutes a major proportion
of the total domestic production of the
product. In its original determinations
concerning porcelain-on-steel cooking
ware from China, Mexico, and Taiwan,
the Commission defined the Domestic
Industry as producers of porcelain-on-
steel cooking ware, including teakettles.
One Commissioner defined the
Domestic Industry differently in the
original antidumping and
countervailing duty determinations
concerning porcelain-on-steel cooking
ware from China, Mexico, and Taiwan.
In the original antidumping and
countervailing duty determinations
concerning top-of-the-stove stainless
steel cooking ware from Korea and
Taiwan, the Commission defined the
Domestic Industry as producers of top-
of-the-stove stainless steel cooking ware.

(5) The Order Dates are the dates that
the antidumping and countervailing
duty orders under review became
effective. In the reviews concerning the
antidumping duty orders on porcelain-
on-steel cooking ware from China,
Mexico, and Taiwan, the Order Date is
December 2, 1986. In the review
concerning the countervailing duty
order on porcelain-on-steel cooking
ware from Mexico, the Order Date is
December 12, 1986. In the reviews
concerning the antidumping and
countervailing duty orders on top-of-
the-stove stainless steel cooking ware
from Korea and Taiwan, the Order Date
is January 20, 1987.

(6) An Importer is any person or firm
engaged, either directly or through a
parent company or subsidiary, in
importing the Subject Merchandise into
the United States from a foreign
manufacturer or through its selling
agent.

**Participation in the reviews and
public service list.**—Persons, including
industrial users of the Subject
Merchandise and, if the merchandise is
sold at the retail level, representative
consumer organizations, wishing to
participate in the reviews as parties
must file an entry of appearance with
the Secretary to the Commission, as
provided in section 201.11(b)(4) of the

Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the reviews. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with these reviews must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Written submissions.—Pursuant to section 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is March 23, 1999. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is April 16, 1999. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of

submissions with the Secretary by facsimile or electronic means. Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the reviews you do not need to serve your response).

Inability to provide requested information.—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determinations in the reviews.

Information to be Provided in Response to This Notice of Institution: Please provide the requested information separately for each Domestic Like Product, as defined by the Commission in its original determinations, and for each of the products identified by Commerce as Subject Merchandise. If you are a domestic producer, union/worker group, or trade/business association; import/export Subject Merchandise from more than one Subject Country; or produce Subject Merchandise in more than one Subject Country, you may file a single response. If you do so, please ensure that your response to each question includes the information requested for each pertinent Subject Country. As used below, the term "firm" includes any related firms.

(1) The name and address of your firm or entity (including World Wide Web address if available) and name, telephone number, fax number, and E-mail address of the certifying official.

(2) A statement indicating whether your firm/entity is a U.S. producer of the Domestic Like Product to which your response pertains, a U.S. union or worker group, a U.S. importer of the Subject Merchandise, a foreign producer or exporter of the Subject Merchandise, a U.S. or foreign trade or business association, or another interested party (including an explanation). If you are a

union/worker group or trade/business association, identify the firms in which your workers are employed or which are members of your association.

(3) A statement indicating whether your firm/entity is willing to participate in these reviews by providing information requested by the Commission.

(4) A statement of the likely effects of the revocation of the antidumping and countervailing duty orders on each Domestic Industry for which you are filing a response in general and/or your firm/entity specifically. In your response, please discuss the various factors specified in section 752(a) of the Act (19 U.S.C. § 1675a(a)) including the likely volume of subject imports, likely price effects of subject imports, and likely impact of imports of Subject Merchandise on the Domestic Industry.

(5) A list of all known and currently operating U.S. producers of each Domestic Like Product for which you are filing a response. Identify any known related parties and the nature of the relationship as defined in section 771(4)(B) of the Act (19 U.S.C. § 1677(4)(B)).

(6) A list of all known and currently operating U.S. importers of porcelain-on-steel cooking ware and producers of porcelain-on-steel cooking ware in China, Mexico, and Taiwan that currently export or have exported Subject Merchandise to the United States or other countries since 1985. A list of all known and currently operating U.S. importers of top-of-the-stove stainless steel cooking ware and producers of top-of-the-stove stainless steel cooking ware in Korea and Taiwan that currently export or have exported Subject Merchandise to the United States or other countries since 1986.

(7) If you are a U.S. producer of a Domestic Like Product, provide the following information separately on your firm's operations on each product during calendar year 1998 (report quantity data in thousands of units and value data in thousands of U.S. dollars, f.o.b. plant). If you are a union/worker group or trade/business association, provide the information, on an aggregate basis, for the firms in which your workers are employed/which are members of your association.

(a) Production (quantity) and, if known, an estimate of the percentage of total U.S. production of the Domestic Like Product accounted for by your firm's(s') production; and

(b) The quantity and value of U.S. commercial shipments of the Domestic Like Product produced in your U.S. plant(s).

(8) If you are a U.S. importer or a trade/business association of U.S. importers of the Subject Merchandise from the Subject Countries, provide the following information on your firm's(s') operations on that product during calendar year 1998 (report quantity data in thousands of units and value data in thousands of U.S. dollars). If you are a trade/business association, provide the information, on an aggregate basis, for the firms which are members of your association.

(a) The quantity and value (landed, duty-paid but not including antidumping or countervailing duties) of U.S. imports and, if known, an estimate of the percentage of total U.S. imports of Subject Merchandise from the Subject Countries accounted for by your firm's(s') imports; and

(b) The quantity and value (f.o.b. U.S. port, including antidumping and/or countervailing duties) of U.S. commercial shipments of Subject Merchandise imported from the Subject Countries.

(9) If you are a producer, an exporter, or a trade/business association of producers or exporters of the Subject Merchandise in the Subject Countries, provide the following information on your firm's(s') operations on that product during calendar year 1998 (report quantity data in thousands of units and value data in thousands of U.S. dollars, landed and duty-paid at the U.S. port but not including antidumping or countervailing duties). If you are a trade/business association, provide the information, on an aggregate basis, for the firms which are members of your association.

(a) Production (quantity) and, if known, an estimate of the percentage of total production of Subject Merchandise in the Subject Countries accounted for by your firm's(s') production; and

(b) The quantity and value of your firm's(s') exports to the United States of Subject Merchandise and, if known, an estimate of the percentage of total exports to the United States of Subject Merchandise from the Subject Countries accounted for by your firm's(s') exports.

(10) Identify significant changes, if any, in the supply and demand conditions or business cycle for each Domestic Like Product that have occurred in the United States or in the market for the Subject Merchandise in the Subject Countries since the Order Dates, and significant changes, if any, that are likely to occur within a reasonably foreseeable time. Supply conditions to consider include technology; production methods;

development efforts; ability to increase production (including the shift of production facilities used for other products and the use, cost, or availability of major inputs into production); and factors related to the ability to shift supply among different national markets (including barriers to importation in foreign markets or changes in market demand abroad). Demand conditions to consider include end uses and applications; the existence and availability of substitute products; and the level of competition among the Domestic Like Product produced in the United States, Subject Merchandise produced in the Subject Countries, and such merchandise from other countries.

(11) (OPTIONAL) A statement of whether you agree with the above definitions of the Domestic Like Product and Domestic Industry; if you disagree with either or both of these definitions, please explain why and provide alternative definitions.
