

Northern estimates that the peak day and annual volumes that would be delivered at the subject delivery point would be 800 MMBtu and 292,000 MMBtu, respectively. Northern states that the conversion would be accomplished at no cost to Northern.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Northwest Pipeline Corporation; Notice of Request Under Blanket Authorization

February 1, 1999.

Take notice that on January 22, 1999, Northwest Pipeline Corporation (Northwest), 295 Chipeta Way, Salt Lake City, Utah 84158, filed in Docket No. CP99-171-000 a request pursuant to Sections 157.205 and 157.216 of the Commission's Regulations (18 CFR 157.205 and 157.216) under the Natural Gas Act (NGA) for authorization to abandon a farm tap in Douglas County, Oregon, under Northwest's blanket certificate authorized in Docket No. CP82-433-000, pursuant to Section 7 of the NGA, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Northwest proposes to abandon the Markillie No. 2 Farm Tap located on Northwest's Grants Pass Lateral. It is stated that the tap was installed in 1964 for service to a single end-user, the predecessor of the Avista Corporation. It is asserted that Northwest has no current contractual obligations to

provide service through the tap, which has not been used since 1976. It is further asserted that the end-user has consented to the abandonment. Northwest estimates the cost of abandoning the tap at \$2,300.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Overthrust Pipeline Company; Notice of Compliance Filing

February 1, 1999.

Take notice that on January 27, 1999, Overthrust Pipeline Company (Overthrust) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1-A, Second Substitute Third Revised Sheet No. 67B, to be effective November 2, 1998.

Overthrust states that the filing is being filed in compliance with the Commission's letter order issued January 15, 1999, (January 15 Order) in Docket No. RP98-415-001.

The January 15 Order directed Overthrust to revise its November 13, 1998, filing that was made in compliance with the Commission's October 30, 1998, letter order. These filings revised Overthrust's FERC Gas Tariff, First Revised Volume No. 1-A to incorporate requirements set forth in 18 CFR 284.10(c)(1)(i) by the Commission's Order No. 587-H issued July 15, 1998.

Overthrust stated that a copy of this filing has been served upon its customers, the Public Service Commission of Utah and the Public Service Commission of Wyoming.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Transcontinental Gas Pipe Line Corporation; Notice of Proposed Change in FERC Gas Tariff

February 1, 1999.

Take notice that on January 21, 1999, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets to become effective February 20, 1999:

Second Revised Sheet No. 342

First Revised Sheet No. 343

Seventh Revised Sheet No. 344

Transco states that the purpose of the filing is to update Transco's tariff to reflect changes that have occurred with respect to the listing of Transco's marketing affiliates and shared officers and directors, and to update Transco's tariff regarding the limited sharing of facilities with certain of Transco's marketing affiliates and regarding the identity of the responsible individual under Transco's internal procedures to examine third party complaints concerning conduct involving Transco and its marketing affiliates.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the
