

with Section 3303(a)(1), FUTA.² However, because the Department of Labor strongly supports endeavors to employ public assistance recipients, the Department is exploring legally permissible avenues that might benefit employers who hire welfare recipients. We will notify States of the findings upon completing the effort.

5. *Action.* State administrators are requested to take necessary action to assure that State law conforms with and is applied consistently with Section 3303(a)(1), FUTA, as interpreted in this UIPL.

6. *Inquiries.* Please direct inquiries to the appropriate Regional Office.

NUCLEAR REGULATORY COMMISSION

Biweekly Notice; Applications and Amendments to Facility Operating Licenses Involving No Significant Hazards Considerations

I. Background

Pursuant to Public Law 97-415, the U.S. Nuclear Regulatory Commission (the Commission or NRC staff) is publishing this regular biweekly notice. Public Law 97-415 revised section 189 of the Atomic Energy Act of 1954, as amended (the Act), to require the Commission to publish notice of any amendments issued, or proposed to be issued, under a new provision of section 189 of the Act. This provision grants the Commission the authority to issue and make immediately effective any amendment to an operating license upon a determination by the Commission that such amendment involves no significant hazards consideration, notwithstanding the tendency before the Commission of a request for a hearing from any person.

This biweekly notice includes all notices of amendments issued, or proposed to be issued from January 15, 1999, through January 29, 1999. The last biweekly notice was published on January 27, 1999 (64 FR 4152).

Notice of Consideration of Issuance of Amendments to Facility Operating Licenses Proposed No Significant Hazards Consideration Determination and Opportunity for a Hearing

The Commission has made a proposed determination that the following amendment requests involve no significant hazards consideration. Under the Commission's regulations in 10 CFR 50.92, this means that operation
