INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-409]

Certain CD-ROM Controllers, and Products Containing Same-II; Notice of Commission Decision Not to Review an Initial Determination Adding Seven Respondents to the Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to

review an initial determination (ID) (Order No. 11) issued by the presiding administrative law judge (ALJ) in the above-captioned investigation to add Actima Technology Corporation, ASUSTek Computer, Inc., Behavior Tech Computer Corporation, Delta Electronics, Inc., Momitsu Multi Media Technologies, Inc., Pan-International Industrial Corporation, and Ultima Electronics Corporation as respondents.

FOR FURTHER INFORMATION CONTACT: John A. Wasleff, Esq., Office of the General Counsel, U.S. International Trade Commission, telephone 202-205-3094.

SUPPLEMENTARY INFORMATION: This investigation was instituted on May 7, 1998, based on a complaint filed by Oak Technology Inc. (Oak). 63 Fed. Reg. 26625. The complaint alleges unlawful activities in violation of section 337 through the unlicensed importation and sale for importation of goods infringing claims 1-5 and 8-10 of U.S. Letters Patent 5,581,715.

On August 6, 1998, Oak filed a motion (Motion No. 409-7) to add the seven respondents listed above. Oak and the existing respondents had entered into a stipulation that the proposed respondents should be added. Counsel for the present respondents also represent the additional respondents. The Commission's Office of Unfair Import Investigations supported Oak's motion. No party petitioned for review of the ID.

This action is taken under the authority of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) and section 210.42(h) of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42(h)).

Copies of the public version of the ID and all other nonconfidential documents filed in connection with this investigation, including the motion to add the seven respondents, are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street S.W., Washington, D.C. 20436, telephone 202-205-2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>).

By order of the Commission.

INTERNATIONAL TRADE COMMISSION

[Investigations Nos. 701-TA-383 (Final) and 731-TA-805 (Final)]

Elastic Rubber Tape From India

AGENCY: United States International Trade Commission.

ACTION: Scheduling of the final phase of countervailing duty and antidumping investigations.

SUMMARY: The Commission hereby gives notice of the scheduling of the final phase of antidumping investigation No. 731-TA-805 (Final) under section 735(b) of the Tariff Act of 1930 (19 U.S.C. § 1673d(b)) (the Act) to determine whether an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of less-than-fair-value imports from India of elastic rubber tape, provided for in subheading 4008.21.00 of the Harmonized Tariff Schedule of the United States.¹ Section 207.21(b) of the Commission's rules provides that, where the Department of Commerce has issued a negative preliminary determination, the Commission will not publish a notice of scheduling of the final phase of its investigation unless and until it receives an affirmative final determination from Commerce. Although the Department of Commerce has preliminarily determined that countervailable subsidies are not being provided to producers and exporters of elastic rubber tape from India, for purposes of efficiency the Commission hereby waives rule 207.21(b) and gives notice of the scheduling of the final phase of countervailing duty investigation No. 701-TA-383 (Final) under section 705(b) of the Act (19 U.S.C. § 1671d(b)). The Commission is taking this action so that the final phases of the countervailing duty and antidumping investigations may proceed concurrently in the event that Commerce makes an affirmative final countervailing duty determination. If

¹ For purposes of these investigations, Commerce has defined the subject merchandise as vulcanized, non-cellular rubber strips, of either natural or synthetic rubber, 0.006 inch to 0.100 inch (0.15mm to 2.54mm) in thickness, and 1/8 inch to 1 1/8 inches (3mm to 42mm) in width. Such product is generally used in swimwear and underwear.

Commerce makes a final negative countervailing duty determination, the Commission will terminate its countervailing duty investigation under section 705(c)(2) of the Act (19 U.S.C. § 1671d(c)(2)), and section 207.21(d) of the Commission's rules.

For further information concerning the conduct of this phase of the investigations, hearing procedures, and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

EFFECTIVE DATE: February 2, 1999.

FOR FURTHER INFORMATION CONTACT: Charles Yost (202-205-3432), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>).

SUPPLEMENTARY INFORMATION:

Background.—The final phase of the antidumping investigation is being scheduled as a result of an affirmative preliminary determination by the Department of Commerce that imports of elastic rubber tape from India are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. § 1673b). The final phase of the countervailing duty investigation is being scheduled, under waiver of § 207.21(b), discussed above, for purposes of efficiency. The investigations were requested in a petition filed on August 18, 1998, by counsel for Fulflex, Inc., Middletown, RI; and two subsidiaries of M-Tec Corp., Elastomer Technologies Group, Inc., Stuart, VA, and RM Engineered Products, Inc., North Charleston, SC (together referred to as "Elastotec").

Participation in the investigations and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11 of the Commission's rules, no

later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. § 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on April 7, 1999, and a public version will be issued thereafter, pursuant to § 207.22 of the Commission's rules.

Hearing.—The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on April 20, 1999, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before April 12, 1999. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on April 14, 1999, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by §§ 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

Written submissions.—Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of § 207.23 of the Commission's rules; the deadline for filing is April 14, 1999. Parties may also file written testimony in connection with their presentation at the hearing, as provided in § 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of § 207.25 of the Commission's rules. The deadline for filing posthearing briefs is April 28, 1999; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations on or before April 28, 1999. On May 17, 1999, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before May 19, 1999, but such final comments must not contain new factual information and must otherwise comply with § 207.30 of the Commission's rules. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.21 of the Commission's rules.

By order of the Commission.

Issued: February 3, 1999.

Donna R. Koehnke,

Secretary.
