**Synopsis of Order Granting Extension of Time for Filing Comments**

1. On November 23, 1998, the Commission released an NPRM in this proceeding, 63 FR 68722 (December 14, 1998), regarding the ancillary or supplementary use of digital television capacity by noncommercial educational (NCE) television licensees. Comments in this proceeding are presently due January 28, 1999, and reply comments are due March 1, 1999.

2. On January 27, 1998, AAPT submitted a Motion for Extension of Time to file comments in response to the NPRM. AAPT states that additional time is necessary to allow the AAPT board to reflect in its filing industry-wide discussions scheduled for the end of January, and to review in its end of January board meeting the policy positions that it plans to present to the Commission. AAPT requests a brief extension of the comment and reply comment deadlines, which it contends will serve the Commission's goal of generating a full and complete record that reflects the views of all affected parties.

3. As set forth in Section 1.46 of the Commission's Rules, 47 CFR 1.46, it is our policy that extensions of time for filing comments in rulemaking proceedings shall not be routinely

granted. However, because of the importance of the instant proceeding to the future of public television, and the potential benefits of the petitioner's developing a more complete record through discussion of these issues with its members, we believe an extension of the comment and reply deadlines for the NPRM is warranted.

4. Accordingly, *It is ordered* that the Motion for Extension of Time filed in MM Docket No. 98-203 by the Association of America's Public Television Stations *Is granted*. The time for filing comments *Is extended* to February 16, 1999.

5. *It is further ordered* that the time for filing reply comments *Is extended* to March 16, 1999.

6. This action is taken pursuant to authority found in Sections 4(i) and 303(r) of the Communications Act of 1934, as amended, 47 USC 154(i) and 303(r), and Sections 0.204(b), 0.283, and 1.45 of the Commission's Rules, 47 CFR 0.204(b), 0.283, and 1.45.
