Action West, Don Shapiro Industries, El Paso, TX; Amended Certification Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 U.S.C. 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on May 12, 1998, applicable to all workers of Action West, Division of Don Shapiro Industries, El Paso, Texas. The notice was published in the **Federal Register** on May 29, 1998 (63 FR 29431).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The

workers produce children's, men's and women's jeans and shorts. New findings show that there was a previous certification covering the same worker group, NAFTA-0562, issued on August 31, 1995. That certification expired August 31, 1997. To avoid an overlap in worker group coverage, the certification is being amended to change the impact date from March 27, 1997 to September 1, 1997, for Action West, Division of Don Shapiro Industries, El Paso, Texas.

The amended notice applicable to NAFTA-02300 is hereby issued as follows:

All workers of Action West, Division of Don Shapiro Industries, El Paso, Texas who became totally or partially separated from employment on or after September 1, 1997 through May 12, 2000 are eligible to apply for NAFTA-TAA under section 250 of the Trade Act of 1974.

Signed at Washington, DC, this 26th day of January 1999.

Grant D. Beale,
Acting Director, Office of Trade Adjustment Assistance.
