

Interior (including the Bureau of Land Management, Bureau of Indian Affairs, and the Fish and Wildlife Service), the U.S. Air Force, the International Boundary and Water Commission, and the Tohono O'odham Nation.

Public scoping meetings will be held at the locations, dates, and times indicated above under the **DATES** and **ADDRESSES** sections. These scoping meetings will be informal and conducted as discussions between attendees and DOE. The DOE presiding officer will establish only those procedures needed to ensure that everyone who wishes to speak has a chance to do so and that DOE understands all issues and comments. Speakers will be allocated approximately 10 minutes for their oral statements. Depending upon the number of persons wishing to speak, DOE may allow longer times for representatives of organizations. Consequently, persons wishing to speak on behalf of an organization should identify that organization in their request to speak. Persons who have not submitted a request to speak in advance may register to speak at the scoping meeting(s), but advance requests are encouraged. Should any speaker desire to provide for the record further information that cannot be presented within the designated time, such additional information may be submitted in writing by the date listed in the **DATES** section. Both oral and written comments will be considered and given equal weight by DOE. Meetings will begin at the times specified and will continue until all those present who wish to participate have had an opportunity to do so.

Draft EIS Schedule and Availability

The Draft EIS is scheduled for completion by October 1999, at which time its availability will be announced in the **Federal Register** and public comments again will be solicited.

Those individuals who do not wish to submit comments or suggestions at this time but who would like to receive a copy of the Draft EIS for review and comment when it is issued should notify Mrs. Russell at the address above.

The Draft EIS will be made available for public inspection at several public libraries or reading rooms in Arizona. A notice of these locations will be provided in the **Federal Register** at a later date.

Issued in Washington, DC, on February 9, 1999.

Peter N. Brush,

*Principal Deputy Assistant Secretary,
Environment, Safety and Health.*
