ENVIRONMENTAL PROTECTION AGENCY

[FRL-6234-1]

Long Term 1 Enhanced Surface Water Treatment Rule and Filter Backwash Recycling Rule; Public Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of public meeting.

SUMMARY: Notice is hereby given that the Environmental Protection Agency (EPA) is holding a public meeting on March 3-4, 1999 at the Wilson World Hotel & Suites, 4600 W. Airport Freeway, Irving, Texas 75062, phone: (972) 513-0800, for the purpose of information exchange with stakeholders on issues related to development of regulatory provisions for the Long Term 1 Enhanced Surface Water Treatment Rule (LT1) and the Filter Backwash Recycling Rule (FBR).

The meeting will provide: (1) a description and summary of potential regulatory options for the LT1 and FBR; and (2) an opportunity for stakeholders to provide input and information on the options.

EPA is inviting all interested members of the public to participate in the meeting. As with all previous meetings in this process, to the extent that is available, EPA is instituting an open door policy to allow any member of the public to attend any of the meetings for any length of time. Approximately 150 seats will be available for the public. Seats will be available on a first-come, first served basis.

DATES: The meeting will start at 8:30 AM on March 3 and will adjourn on March 4 at 4:00 PM.

ADDRESSES: For additional information about the meeting, please contact Ephraim King, Steve Potts (LT1) or William Hamele, P.E. (FBR) of EPA's Office of Ground Water and Drinking Water at (202) 260-7575 or by e-mail at potts.steve@epamail.epa.gov, or hamele.william@epamail.epa.gov. Questions may also be sent to Steve Potts, U.S. EPA (4607), Office of Ground Water and Drinking Water, 401 M Street, SW, Washington, D.C. 20460.

FOR FURTHER INFORMATION CONTACT: Steve Potts (LT1) Office of Ground Water and Drinking Water, telephone 202-260-5015 or William Hamele (FBR), U.S. EPA, Office of Ground Water and Drinking Water, telephone 202-260-2584.

Dated: February 10, 1999.

Elizabeth Fellows,

Acting Director, Office of Ground Water and Drinking Water.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) being Reviewed by the Federal Communications Commission

February 5, 1999.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control

number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before April 19, 1999. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Judy Boley, Federal Communications Commission, Room 1-C804, 445 12th Street, SW, DC 20554 or via the Internet to jboley@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Judy Boley at 202-418-0214 or via the Internet at jboley@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control No.: 3060-0866.

Title: Year 2000 Assessments.

Form No.: N/A.

Type of Review: Extension of currently approved collection.

Respondents: Business or other for-profit, not-for-profit institutions.

Number of Respondents: 2,000 total respondents.

Estimated Time Per Response: 20-40 hours.

Frequency of Response: One time and occasional reporting requirements.

Total Annual Burden: 99,000 total hours for all respondents.

Total Annual Cost: N/A.

Needs and Uses: Many computer software programs used throughout the world were not designed to take into account the date change that will occur when we enter the year 2000. Computer and technology experts are uncertain as to the likely total effect of the disruptions this may cause. Because all sectors of the global economy rely on telecommunications networks, it is critical that the telecommunications industry take comprehensive and effective action to address Year 2000
