

ACTION: Notice of filing.

SUMMARY: On February 2, 1992, Elwood Energy LLC submitted a coal capability self-certification pursuant to section 201 of the Powerplant and Industrial Fuel Use Act of 1978, as amended.

ADDRESSES: Copies of self-certification filings are available for public inspection, upon request, in the Office of Coal & Power Im/Ex, Fossil Energy, Room 4G-039, FE-27, Forrestal Building, 1000 Independence Avenue, SW, Washington, DC 20585.

FOR FURTHER INFORMATION CONTACT: Ellen Russell at (202) 586-9624.

SUPPLEMENTARY INFORMATION: Title II of the Powerplant and Industrial Fuel Use Act of 1978 (FUA), as amended (42 U.S.C. 8301 *et seq.*), provides that no new baseload electric powerplant may be constructed or operated without the capability to use coal or another alternate fuel as a primary energy source. In order to meet the requirement of coal capability, the owner or operator of such facilities proposing to use natural gas or petroleum as its primary energy source shall certify, pursuant to FUA section 201(d), to the Secretary of Energy prior to construction, or prior to operation as a base load powerplant, that such powerplant has the capability to use coal or another alternate fuel. Such certification establishes compliance with section 201(a) as of the date filed with the Department of Energy. The Secretary is required to publish a notice in the **Federal Register** that a certification has been filed. The following owner/operator of the proposed new baseload powerplant has filed a self-certification in accordance with section 201(d).

Owner: Elwood Energy LLC.

Operator: Not yet determined.

Location: Elwood, IL.

Plant Configuration: Four simple cycle combustion turbines.

Capacity: 600 megawatts.

Fuel: Natural gas.

Purchasing Entities: Wholesale customers that may include utilities.

In-Service Date: Units 1 and 2—May and June 1999; Units 3 and 4—July 1999.

Issued in Washington, DC, February 9, 1999.

Anthony J. Como,

Manager, Electric Power Regulation, Office of Coal & Power Im/Ex, Office of Coal & Power Systems, Office of Fossil Energy.

AES Eastern Energy, L.P.; Notice of Filing

February 12, 1999.

Take notice that on February 8, 1999, AES Eastern Energy, L.P., c/o Mr. Henry Aszklar, Vice President, AES NY, L.L.C., General Partner, AES Eastern Energy, L.P., 1001 North 19th Street, Suite 2000, Arlington, VA 22209 (Applicant), filed with the Federal Energy Regulatory Commission a petition for declaratory order disclaiming jurisdiction and request for expedited consideration.

An affiliate of Applicant, AES NY, L.L.C., currently has rights to purchase from the New York State Electric & Gas Corporation and its affiliate, NGE Generation, Inc., the Kintigh and Milliken Generating Stations in New York State. The Kintigh Station is located in Barker, New York and is comprised of a steam turbine generating unit that provides a maximum of 688 MW of generating capacity. The Milliken Station is located in Lansing, New York and is comprised of two steam turbine generating units that provide a maximum of 306 MW of generating capacity. Applicant is seeking a disclaimer of jurisdiction over passive owner lessors, owner participants and owner trustees, in connection with a lease/leaseback-type financing involving the Kintigh and Milliken Facilities.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before March 10, 1999. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection or on the internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

Linwood A. Watson, Jr.,

Acting Secretary.

[Docket No. RP98-404-003]

Mississippi River Transmission Corporation; Notice Requesting Comments

February 12, 1999.

On January 29, 1999, Mississippi River Transmission Company (MRT) tendered for filing revised tariff sheets in this proceeding.¹ These sheets are substitutes for those originally filed by MRT on September 16, 1998, which were accepted for filing and suspended until March 17, 1999, subject to MRT making minor revisions in its filing and to the outcome of a technical conference. The instant filing was noticed February 2, 1999, with comments and protests due as provided in Section 154.210 of the Commission's Regulations.

Several parties to this proceeding have filed protests and comments on the MRT January 29 filing. In order that the Commission might have a more complete record on which to act, parties will be permitted to file answers to the protests and comments.

Any party desiring to answer the comments and protests of others should

¹ The revised tariff sheets are those listed in the Commission's notice of February 2, 1999 in this proceeding.

file the original and 14 copies of such answer with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, not later than February 19, 1999. The filing, comments, and protests may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

[Docket No. CP99-205-000]

South Georgia Natural Gas Company; Notice of Request Under Blanket Authorization

February 12, 1999.

Take notice that on February 4, 1999, South Georgia Natural Gas Company (South Georgia), Post Office Box 2563, Birmingham, Alabama 35202-2563, filed in Docket No. CP99-205-000, a request pursuant to Section 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for authorization to construct and operate a new delivery point for service to Sowega Power L.L.C. (Sowega), under South Georgia's blanket certificate issued in Docket No. CP82-548-000, pursuant to 18 CFR Part 157, Subpart F of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection. The application may be viewed on the web at www.ferc.fed.us/online/rims.htm (call (202) 208-2222 for assistance).

South Georgia proposes to construct and operate certain measurement and other appurtenant facilities in order to provide transportation service to Sowega at a new delivery point for service at approximately Mile Post 8.4 of South Georgia's 10-inch Main Line in Mitchell County, Georgia. Specifically, South Georgia states that the estimated cost of the construction and installation of the facilities is approximately \$395,000. It is further stated that Sowega would reimburse South Georgia for the cost of the constructing, installing and operating the proposed facilities.

South Georgia states that it will transport gas on behalf of Sowega under its Rate Schedule IT. South Georgia states the estimated average annual volumes for deliveries to the meter

station are 4,000,000 MMBtu and the estimated daily average of 11,000 MMBtu, however, most of the annual requirements would be used in the summer months from May-September. It is further stated that the maximum delivery volumes are expected to be 25,000 MMBtu per day.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Linwood A. Watson, Jr.,

Acting Secretary.

Southern Natural Gas Company, South Georgia Natural Gas Company, Sea Robin Pipeline Company, Destin Pipeline Company, L.L.C.; Notice of Petition for Limited Extension of Time

February 12, 1999.

Take notice that on February 5, 1999, Southern Natural Gas Company, South Georgia Natural Gas Company, Sea Robin Pipeline Company and Destin Pipeline Company, L.L.C. (The Southern Pipelines) tendered for filing a petition requesting that the Commission extend the March 1, 1999 date set forth in the Commission's December 18, 1998, Order Granting Rehearing (85 FERC ¶ 61,386) to allow the Southern Pipelines to implement the intra-day nominations standards adopted in Order No. 587-G on May 1, 1999.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's

Rules and Regulations. All such motions or protests must be filed on or before February 19, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. [Docket No. CP99-196-000]

Transcontinental Gas Pipe Line Corporation; Notice of Request Under Blanket Authorization

February 12, 1999.

Take notice that on February 5, 1999, Transcontinental Gas Pipe Line Corporation (Transco), Post Office Box 1396, Houston, Texas 77251, filed in Docket No. CP99-196-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations (18 CFR 157.205 and 157.211) under the Natural Gas Act (NGA) for authorization to construct and operate delivery point facilities in Anderson, South Carolina, under Transco's blanket certificate issued in Docket No. CP82-426-000, pursuant to Section 7 of the NGA, all as more fully set forth in the request that is on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (please call (202) 208-2222 for assistance).

Transco proposes to construct and operate delivery point facilities to accommodate deliveries to Clark-Schwebel Corporation (CSC), an industrial and end-user. Specifically, Transco proposes to install two 4-inch valve tap assemblies, a meter station and appurtenant facilities. Transco proposes to install the facilities at or near milepost 1158.75 on its mainline in Anderson. It is stated that CSC is currently negotiating with a third-party landowner for land rights at this location. Transco asserts that if CSC is
