[Docket No. CP99-198-000]

Midwestern Gas Transmission Company; Notice of Request Under Blanket Authorization

February 16, 1999.

Take notice that on February 8, 1999, Midwestern Gas Transmission Company (Midwestern), P.O. Box 2511, Houston, Texas 77252-2511, filed in Docket No. CP99-198-000, a request pursuant to §§ 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.212) for authorization to install and operate a new delivery tap to provide service for Indiana Gas Company (Indiana), a local distribution company, in Vigo County, Indiana, under Midwestern's blanket certificate issued in Docket No. CP82-414-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection. The application may be viewed on the web at www.ferc.fed.us. Call (202) 208-2222 for assistance.

Specifically, Midwestern proposes to install an 8-inch single hot tap, check valve, approximately 50 feet of 8-inch diameter interconnecting pipe, and electronic gas measurement equipment. Midwestern proposes to install the facilities on its existing pipeline, located near Milepost 2114-1+0.78 in Vigo County to satisfy Indiana's request for

natural gas service. Midwestern states that the volumes proposed to be delivered to Indiana will be pursuant to Midwestern's blanket transportation certificate in Docket No. CP90-174-000 and the service will be under its Rate Schedules FT-A or IT. Midwestern says that Indiana estimates its peak day requirements will be 60,000 Mcf per day with an average day being 5,000 Mcf per day.

Midwestern reports that the estimated cost of installing this project will be \$93,200, which will be reimbursed fully by Indiana. Midwestern indicates that it can render the proposed service without detriment to its other existing customers, and that its tariff does not prohibit the proposed installation of these facilities.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
