The TRAC is co-chaired by EPA Acting Deputy Administrator Peter Roberston and USDA Deputy Secretary Richard Rominger. The TRAC is composed of experts that include farmers, environmental and public interest groups representatives, public health officials, pediatric experts, pesticide companies, food processors and distributors, academicians, Federal agencies, tribal, State and local governments.

The TRAC meetings are open to the public under section 10(a)(2) of the Federal Advisory Committee Act, Pub. L. 92-463. Outside statements will be limited to 3-5 minutes by each person or organization. Any person who wishes to file a written statement may do so
