**SUMMARY:** Pursuant to the Federal Advisory Committee Act (Pub. L. 92-463, as amended by Pub. L. 94-409, Pub. L. 96-523, and Pub. L. 97-375), we are giving notice of a joint meeting of the Census Advisory Committees (CACs) on the African American Population, on the American Indian and Alaska Native Populations, on the Asian and Pacific Islander Populations, on the Hispanic Population, the CAC of Professional Associations, and the Commerce Secretary's 2000 Census Advisory Committee. The agenda will provide an opportunity for discussing the Census 2000 Partnership Program (for example, how it works and how it is coordinated with other Census 2000 programs) and for discussing model cases of partnerships with governmental and non-governmental organizations. Last-minute changes to the schedule are possible, and they could prevent us from giving advance notice.

**DATES:** On Monday, March 15, 1999, the meeting will begin at 8:00 a.m. and adjourn at approximately 5:15 p.m.

**ADDRESSES:** The meeting will take place at the Inn and Conference Center, University of Maryland University College, University Boulevard at Adelphi Road, College Park, MD.

**SUPPLEMENTARY INFORMATION:** The CACs on the African American, American Indian and Alaska Native, and Hispanic Populations are composed of 9 members

each, and the CAC on the Asian and Pacific Islander Population is composed of 13 members, appointed by the Secretary of Commerce. The Committees provide an organized and continuing channel of communication between their representative communities and the Bureau of the Census. They assist the Bureau in its efforts to reduce the count differential for Census 2000 and advise on ways that census data can best be disseminated to communities and other users.

The CAC of Professional Associations is composed of 36 members appointed by the Presidents of the American Economic Association, the American Statistical Association, the Population Association of America, and the Chairman of the Board of the American Marketing Association. The Committee advises the Director, Bureau of the Census, on the full range of Census Bureau programs and activities in relation to the areas of expertise.

The Commerce Secretary's 2000 Census Advisory Committee is composed of a Chair, Vice-Chair, and up to 35 member organizations, all appointed by the Secretary of Commerce. The Advisory Committee considers the goals of Census 2000 and user needs for information provided by that census. The Committee provides an outside user perspective about how operational planning and implementation methods proposed for Census 2000 will realize those goals and satisfy those needs. The Advisory Committee considers all aspects of the conduct of the 2000 Census of Population and Housing and makes recommendations to the Secretary of Commerce for improving that census.

A brief period will be set aside at the meeting for public comment. However, individuals with extensive statements for the record must submit them in writing to the Commerce Department official named above at least three working days prior to the meeting.

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Census Bureau Committee Liaison Officer on 301-457-2308, TDD 301-457-2540.
