### Federal Aviation Administration

#### Noise Exposure Map Notice: Receipt of Noise Compatibility Program and Request for Review; Rickenbacker International Airport, Columbus, OH

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Notice.

**SUMMARY:** The Federal Aviation Administration (FAA) announces its determination that the noise exposure maps submitted by the Rickenbacker Port Authority for Rickenbacker International Airport under the provisions of Title I of the Aviation Safety and Noise Abatement Act of 1979

(Pub. L. 96-193) and 14 CFR Part 150 are in compliance with applicable requirements. The FAA also announces that it is reviewing a proposed noise compatibility program that was submitted for Rickenbacker International Airport under Part 150 in conjunction with the noise exposure maps, and that this program will be approved or disapproved on or before July 21, 1999.

**DATES:** The effective date of the FAA's determination on the noise exposure maps and of the start of its review of the associated noise compatibility program is January 22, 1999. The public comment period ends March 23, 1999.

**FOR FURTHER INFORMATION CONTACT:** Mary Jagiello, Program Manager, Federal Aviation Administration, Detroit Airports District Office, Willow Run Airport, East, 8820 Beck Road, Belleville, Michigan 48111. Comments on the proposed noise compatibility program should also be submitted to the above office.

**SUPPLEMENTARY INFORMATION:** This notice announces that the FAA finds that the noise exposure maps submitted for Rickenbacker International Airport are in compliance with applicable requirements of Part 150, effective January 22, 1999. Further, FAA is reviewing a proposed noise compatibility program for that airport which will be approved or disapproved on or before July 21, 1999. This notice also announces the availability of this program for public review and comment.

Under section 103 of Title I of the Aviation Safety and Noise Abatement Act of 1979 (hereinafter referred to as "the Act"), an airport operator may submit to the FAA noise exposure maps which meet applicable regulations and which depict noncompatible land uses as of the date of submission of such maps, a description of projected aircraft operations, and the ways in which such operations will affect such maps. The Act requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies, and persons using the airport.

An airport operator who has submitted noise exposure maps that are found by the FAA to be in compliance with the requirements of Federal Aviation Regulations (FAR) Part 150, promulgated pursuant to Title I of the Act, may submit a noise compatibility program for FAA approval which sets forth the measures the operator has taken or proposes for the reduction of existing noncompatible uses and for the
