INTERNATIONAL TRADE COMMISSION
Agency Information Collection Activities; Proposed Collection; Comment Request

AGENCY: U.S. International Trade Commission.

ACTION: Notice of proposed collection; comment request.

SUMMARY: Pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. Ch. 35), the Commission intends to seek approval from the Office of Management and Budget to issue a survey to participants in Commission injury investigations (primarily countervailing duty, antidumping, and safeguard investigations) to obtain feedback on the procedures used by the Commission in the conduct of such investigations. Comments concerning the proposed information collection are requested in accordance with 5 CFR 1320.8(d).

DATES: To be assured of consideration, written comments must be received not later than April 26, 1999.

ADDRESSES: Signed comments should be submitted to Donna Koehnke, Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, D.C. 20436.

FOR FURTHER INFORMATION CONTACT:

Copies of the proposed survey and draft Supporting Statement to be submitted to the Office of Management and Budget are posted on the Commission's World Wide Web site at <http://www.usitc.gov> or may be obtained from Lynn Featherstone, Office of Investigations, U.S. International Trade Commission, telephone 202-205-3160.

SUPPLEMENTARY INFORMATION:**Request for Comments**

Comments are solicited as to: (1) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used; (3) the quality, utility, and clarity of the information to be collected; and (4) minimization of the burden of the proposed information collection on those who are to respond (including through the use of appropriate automated, electronic, mechanical, or other forms of information technology, e.g., permitting electronic submission of responses).

Summary of the Proposed Information Collection

In its Strategic Plan (available on the agency's World Wide Web site at <http://www.usitc.gov>), the Commission set itself the goal of obtaining feedback on investigative procedures from users of the agency's import injury investigation process. The proposed survey seeks to gather that feedback to allow the Commission to ensure that its procedures are fair and equitably implemented.

The survey asks if the Commission's rules and other written guidance make clear to participants what the Commission expects of them procedurally in an investigation; if there are area(s) where additional guidance would be of benefit to their participation in investigations; if Commission personnel responded to procedural inquiries in a helpful way; if their access to information collected by/ submitted to the Commission was satisfactory; if their opportunity to present information for consideration by the Commission was satisfactory; and if they have any other comments or recommended improvements. It will be sent to firms that have participated in an antidumping, countervailing duty, or safeguard investigation during the period October 1, 1998-September 30, 1999. Responses are voluntary. While the survey will be made available on the Commission's web site, responses must be in paper form.

The Commission estimates that the survey will impose an average burden of less than 1 response hour each on 50 respondents.

By order of the Commission.

Issued: February 19, 1999.

Donna R. Koehnke,

Secretary.
