

extensions, the Department intends to issue its preliminary results not later than May 23, 1999.

EFFECTIVE DATE: February 26, 1999.

FOR FURTHER INFORMATION CONTACT: Scott E. Smith or Melissa G. Skinner, Import Administration, International Trade Administration, U.S. Department of Commerce, Pennsylvania Avenue and 14th Street, NW, Washington, DC 20230; telephone: (202) 482-6397, or (202) 482-1560 respectively.

Extension of Preliminary Results

The Department has determined that the sunset reviews of the suspended countervailing duty investigation and the antidumping duty order on carbon steel wire rod from Argentina are extraordinarily complicated. In accordance with section 751(c)(5)(C)(v) of the Tariff Act of 1930, as amended ("the Act"), the Department may treat a review as extraordinarily complicated if it is a review of a transition order (*i.e.*, an order in effect on January 1, 1995). See section 751(c)(6)(C) of the Act. The Department is extending the time limit for completion of the preliminary results of these reviews until not later than May 23, 1999, in accordance with section 751(c)(5)(B) of the Act. The final results of these reviews will, therefore, be due not later than September 28, 1999.

Dated: February 22, 1999.

Richard W. Moreland,

Acting Assistant Secretary for Import Administration.
