

matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), RRVW shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by RRVW's filing of a notice of consummation by March 4, 2000, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our website at "WWW.STB.DOT.GOV."

Decided: February 26, 1999.

By the Board, David M. Konschnik, Director, Office of Proceedings.
Vernon A. Williams,
Secretary.

These subcommittee meetings will be for the purpose of evaluating the scientific merit of research conducted in each specialty by Department of Veterans Affairs (VA) investigators

working in VA Medical Centers and Clinics.

The subcommittee meetings will be open to the public for approximately one hour at the start of each meeting to discuss the general status of the program. The remaining portion of each subcommittee meeting will be closed to the public for the review, discussion, and evaluation of initial and renewal projects.

The closed portion of the meetings involves discussion, examination,

reference to, and oral review of site visits, staff and consultant critiques of research protocols and similar documents. During this portion of the subcommittee meetings, discussion and recommendations will deal with qualifications of personnel conducting the studies (the disclosure of which would constitute a clearly unwarranted invasion of personal privacy), as well as research information (the premature disclosure of which could significantly frustrate implementation of proposed
