FOR FURTHER INFORMATION CONTACT: Jack O'Neill, Federal Acquisition Policy Division, GSA (202) 501-3856.

SUPPLEMENTARY INFORMATION:

A. Purpose

Standard Form 255 is used by all Executive agencies to obtain information from architect-engineer (A-E) firms interested in a particular project. The information on the form is reviewed by a selection panel composed of professional people and assists the panel in selecting the most qualified A-E firm to perform the specific project. The form is designed to provide a uniform method for A-E firms to submit information on experience, personnel, capabilities of the A-E firm to perform, along with information on the consultants they expect to collaborate with on the specific project.

B. Annual Reporting Burden

Public reporting burden for this collection of information is estimated to average 1.2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The annual reporting burden is estimated as follows: Respondents, 5,000; responses per respondent, 4; total annual responses, 20,000; preparation hours per response, 1.2; and total response burden hours, 24,000.

SUPPLEMENTARY INFORMATION:

A. Purpose

When it is in the best interest of the Government and when supplies and services are required by a Government contract, contracting officers may authorize contractors to use Government supply sources in performing certain contracts. Contractors placing orders under Federal Supply Schedules or Personal Property Rehabilitation Price Schedules must follow the terms of the applicable schedule. To place orders, firms will submit the initial FEDSTRIP or MILSTRIP requisitions or the
