### Federal Energy Regulatory Commission

[Docket No. CP99-230-000]

#### Southwest Gas Storage Company; Notice of Application

March 4, 1999.

Take notice that on March 1, 1999, Southwest Gas Storage Company (Southwest), P.O. Box 1642, Houston, Texas 77251-1642, filed in Docket No. CP99-230-000 an application pursuant to Section 7 of the Natural Gas Act (NGA) requesting a blanket certificate of public convenience and necessity and permission and approval to abandon, authorizing Southwest to engage in any of the activities specified in Subpart F

of Part 157 of the Commission's Regulations, as may be amended from time to time, all as more fully set forth in the application which is on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.fed.us/online/htm> (call 202-208-2222 for assistance).

It is stated that Southwest is a "natural gas company" within the meaning of the NGA and as determined by the Commission in Docket No. CP79-490. Southwest asserts that it does not have any outstanding budget-type certificates or any ongoing storage field tests commenced under a budget-type certificate. Southwest states that it does have currently effective storage rate schedules, providing open access firm storage service under its Rate Schedule FSS and interruptible storage service under its Rate Scheduled ISS. Southwest further states that it has a storage blanket certificate issued in Docket Nos. CP90-1014-000.

Any person desiring to be heard or to make any protest with reference to said application should on or before March 15, 1999, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a petition to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to the proceeding or to participate as a party in any hearing therein must file a petition to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission on this application if no petition to intervene is filed within the time required herein, and if the commission on its own review of the matter finds that the abandonment is required by the public convenience and necessity. If a petition for leave to intervene is timely filed, or if the Commission on its motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be
