Regulation S-X SEC File No. 270-3 OMB
Control No. 3235-0009

Notice is hereby given that, pursuant to the Paperwork Reduction Act 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Information collected and information prepared pursuant to Regulation S-X focus on the form and content of, and requirements for, financial statements filed with periodic reports and in connection with the offer and sale of securities. Investors need reasonably current financial statements to make informed investment and voting decisions.

The potential respondents include all entities that file registration statements or reports pursuant to the Securities Act of 1933, the Securities Exchange Act of 1934, the Public Utility Holding Company Act of 1935, or the Investment Company Act of 1940.

Regulation S-X specifies the form and content of financial statements when those financial statements are required to be filed by other rules and forms under the federal securities laws. Compliance burdens associated with the financial statements are assigned to the rule or form that directly requires the financial statements to be filed, not Regulation S-X. Instead, an estimated burden of one hour traditionally has been assigned to Regulation S-X for incidental reading of the regulation. The estimated average burden hours are solely for purpose of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules or forms.

Recordkeeping retention periods are based on the disclosure required by various forms and rules other than Regulation S-X. In general, balance sheets for the preceding two fiscal years, income and cash flow statements for the preceding three fiscal years, and condensed quarterly financial statements must be filed with the Commission. Five year summary financial information is required to be disclosed by some larger registrants.

Filing financial statements, when required by the governing rule or form, is mandatory. Because these statements are provided for the purpose of disseminating information to the

securities markets, they are not kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: March 2, 1999.

Margaret H. McFarland,
Deputy Secretary.
