Proposed Information Collection Activity; Comment Request

Proposed Project

Title: Developmental Disabilities Council State Plan.

OMB No.: 0980-0162.

Description: Developmental Disabilities Councils (DD Councils) in each State are required under the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6000 et seq.) to develop plans on a triennial basis and to review those plans at least annually. Each Council develops its plan as a basis for promoting systems change and capacity building in service systems for persons with developmental disabilities in the State. The State plan must be made available for public comment in the State and must be approved by the Governor of the State. After that it is submitted to the Department of Health and Human Services, which will use the information to ensure compliance of the State with requirements in the Act. The information in the State plan is also used as one basis for providing technical assistance, such as during site visits. The burden statement of 130 hours per State for preparing this plan is annualized over the three-year period of the plan. This requirement was recently redesigned with significant involvement of State Developmental Disabilities Councils.

Respondents: State, Local or Tribal Government.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
Three Year State Plan	55	1	130	7,150

Estimated Total Annual Burden Hours: 7,150.

In compliance with the requirements of Section 3506(c)(2)(A) The Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment

on the specific aspects of the information collection described above.

Copies of the proposed collection of information can be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Information Services,
