**SUMMARY:** The Federal Oil and Gas Royalty Simplification and Fairness Act of 1996 (RSFA), Pub. L. 104-185, as corrected by Pub. L. 104-200, establishes the owners of operating rights and/or lease record title (who are jointly defined as "lessees" under RSFA) as responsible for making royalty and related payments on a Federal lease. Currently, it is common for a payor rather than a lessee to make royalty and related payments on a Federal lease. When a payor pays royalties on a Federal lease on behalf of a lessee, RSFA requires that the lessee certify to MMS in writing that a particular payor has been designated by the lessee to make such royalty and related payments to MMS on behalf of the lessee. RSFA made this payor designation requirement effective for lease production beginning September 1, 1996.
