

environmental impact statement. *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th Cir. 1988), and *Wisconsin Heritages, Inc. v. Harris*, 490 F. supp. 1334, 1338 (E. D. Wis. 1980). Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 45-day comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final environmental impact statement.

Comments on the draft environmental impact statement should be as specific as possible. It is also helpful if comments refer to specific pages or chapters of the draft statement. Comments may also address the adequacy of the draft environmental impact statement or the merits of the alternatives formulated and discussed in the statement (Reviewers may wish to refer to CEQ Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points). After the comment period ends on the draft environmental impact statement, the comments received will be analyzed and considered by the Forest Service in preparing the final environmental impact statement.

The final environmental impact statement is scheduled to be completed in October, 1999. In the final EIS, the Forest Service is required to respond to the comments received (40 CFR 1503.4). The responsible official will consider the comments, responses, environmental consequences discussed in the environmental impact statement, and applicable laws, regulations and policies in making a decision regarding this proposal. The responsible official will document the decision and reasons for the decision in a Record of Decision. That decision will be subject to appeal under 36 CFR part 215.

The responsible official is Leon Blashock, District Ranger, Allegheny National Forest, HC2 Box 130, Marienville, PA 16239.

Dated: March 5, 1999.

Leon Blashock,
District Ranger.
