SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The Acquisition Management Systems and Data Requirements Control List (AMSDL) is a list of data requirements used in Department of Defense contracts. Information collection requests are contained in DoD contract actions for supplies, services, hardware, and software. This information is collected and used by DoD and its component Military Departments and Agencies to support the design, test, manufacture, training, operation, maintenance, and logistical support of procured items, including weapons systems. The collection of such data is essential to accomplishing the assigned mission of the Department of Defense. Failure to collect this information would have a detrimental effect on the DoD acquisition programs and the National Security.

Submission for OMB Review; Comment Request

ACTION: Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title, Associated Form, and OMB Number: Procurement Technical Assistance Cooperative Agreement Performance Agreement; DLA Form 1806; OMB Number 0704-0320.

Type of Request: Reinstatement.

Number of Respondents: 84.

Responses Per Respondent: 2.

Annual Responses: 168.

Average Burden Per Response: 8 hours.

Annual Burden Hours: 1,344.

Needs and Uses: The Defense Logistics Agency uses the report as the principal instrument for measuring, on a semi-annual basis, a cooperative agreement recipient's performance against the goals and objectives as established in their application for which the award was made. Cooperative agreements are awarded on a competitive basis. Past performance is a major evaluation factor for selecting programs to be funded each fiscal year. Past performance data is obtained from the performance report. The data is used to measure recipient accomplishments against goals and objectives set forth in the application. The reported data also provides budget information used to monitor the expenditure of DoD funds and to assure that the DoD/recipient share ratio established at award is maintained. Additionally, the information is used to identify programs that are experiencing difficulty to establish the need for assistance and the frequency of on-site reviews.

Affected Public: Business or other for-profit; Not-for-profit institutions; State, Local, or Tribal Government.

Frequency: Semi-Annually.

Respondent's Obligation: Required to obtain or retain benefits.

Respondent's Obligation: Required to obtain or retain benefits.
